

The “Recycled Teenagers” Club

has been set up with the help of Residents living in the District of Rochford and surrounding towns and villages. Its main aim is to encourage and support people who are 50+ to gain access to different activities happening in the area, or to start new activity classes themselves. **All at an affordable cost!**

We have over 130 members, who regularly take part in weekly keep fit classes and monthly day trips. The group is self funded, with a yearly membership fee of just £15.00. Every activity and trip we arrange is chargeable at affordable rates, and you have the luxury of our own coach for all our trips with 8 local pick ups.

You may wish to join as a couple or on your own, this way you get to meet and make new friends with common interests to yourself. We are a very friendly bunch and will welcome you with open arms into our group.

All you need to qualify as a member of this group is as follows:

- Be the age of 50 years or older, once you join you can bring along guests under the age of 50!
- Be able to pay the annual membership of £15.00
- Be prepared to try new and exciting activities
