Since the Supporters Trust was formed, with the help and support of members, supporters and the community, we have raised over £50,000 which has been used to support and promote the Football Club within the community and provide supporters with a voice.

Last season we donated a four figure sum to the club to support the signing of Jamie Stevenson. We ran the inaugural Airdrie Schools Cup festival as well as the annual United Secondary Schools Cup, The Supporters Trust also sponsored the young supporters club, the Airdrie Aces, running a Match Passport scheme which encourages them to come along to the home games, as well as many successful events for them including a trip to see Scotland under 21's in the Euro championships. We also initiated correspondence with the Club and supporters, collating and passing on the results of a survey on the "Rangers newco" situation, passing on comments to the club and letting them know our dissatisfaction at the proposed promotion into Division 1.

This is just an example of the work that the Airdrie United Supporters Trust does for the Club, supporters and the local community. Membership is now up for renewal and the continued work of the Trust requires individuals to join and become involved. By joining you can have your voice and opinions heard and get involved in helping the club through these tough financial times.

Annual fees have once more been held and you can find an application form inside this newsletter. Payment can be made at the trust hatch on match days, online using Paypal or via the Trust website at <http://www.airdrietrust.co.uk/join.html>
