Our Services

Management

Planned your own event, but need someone to manage it on your behalf. We are experienced in the management of all types of event and can give detailed briefings to staff, and oversee every aspect of your event. Contact us for more details

Private Events

We can provide marquees of various sizes and designs, we can find the right location for your private event for any occasion. We can also arrange entertainment, bars and other refreshments all at competitive rates.

Signage

We are able to provide you with all types of signage for any purpose for any eventuality. All signs comply with current legislation where applicable. Please contact us for further details.

Signing Schedules

Planning a major event? We can provide you with a detailed and comprehensive signing schedule, ensuring that traffic, pedestrians and Emergency Services can get to and from your event safely. We are also qualified to place and recover the signage before and after the event.

Traffic Strategy

A traffic strategy ensures traffic flows around your event are kept as near as possible to normal levels. In order to achieve this, traffic attending must have clear signage directing them to the venue. We are experienced in the development, implementation and successful management of any traffic strategy. And will liaise on your behalf with all agencies
