

## 20<sup>TH</sup> ANNUAL IRISH SUPREME CAT SHOW, DUBLIN 25.4.10

### **JUDGE MRS GRACE DENNY**

I felt most favoured to be invited to judge at this most prestigious event and I thank Mrs R Brooks most sincerely for the privilege, which was most enjoyable. I am also indebted to my steward Edel Crean who guided me through the day and attended all my needs. I trust she enjoyed the day as much as I did.

#### **BRITISH ORANGE-EYED WHITE PRE-CHAMPION ADULT FEMALE**

1 CC BOB CALLAN & RUSSELL'S LABRYS WARRIOR PRINCESS (14a)

An excellent exhibit well prepared and presented. Round head with neat ears well set; excellent wide open deep golden eyes, short broad nose with break, cheeks developing, chin firm, bite level. Short in neck, cobby body of substance; coat pure white, dense and crisp I texture. Strong limbs and round paws, sort tail, just needs maturity

#### **BRITISH CHOCOLATE CHAMPION ADULT MALE**

GR CH BOB HEALY'S CH ARDEEVAN CORMAC (15b)

God strength of head, breadth between ears which are a little open. Eyes round, light gold in colour; short broad nose, needs more fullness to the cheeks, chin firm and bite level. Body has substance with strong limbs and round paws Coat a little long but sound to base, of good colour. Handled well and in excellent condition.

#### **BRITISH CREAM CHAMPION ADULT MALE**

GR CH O'SULLIVAN'S CH SLIABH NASTY NIC (17)

Good strong head, breadth between neat ears, full cheeks, broad straight nose with break, wide open deep golden eyes; firm chin and level bite. Thick short neck, deep cobbybody, coat of good cream tone with no ghost markings, dense and sound to base. Strong limbs, round paws, short thick tail. In splendid condition and handled well.

#### **BRITISH SILVER SPOTTED KITTEN FEMALE**

1(BOB W/H) ERVINE'S ACCLAIM CHEYENNE (30s)

Round faced, ears rather open, needs width between. Nose shows break, chin a little shallow, bite level, pinched muzzle as yet. Eyes small but round, of good colour. Short in body with substance, coat dense and short, short tail. Spotting well defined on back, spine line just broken but lots of linkage back legs and sides, muzzle tarnished. Very sweet temperament but faulted on coat pattern and tarnishing.

#### **BRITISH BLACK SILVER TABBY GRAND PREMIER NEUTER MALE**

1 TARA GR PR BOB CALLAN & RUSSELL'S GR PR & INT PR GRAYGEES MR SIMPSON (18)

Good balance of head, ears neat with breadth between. Eyes round and well opened, short broad nose with break, full cheeks, chin firm, bite level. Cobby deep body, plenty of substance, short thick tail, round paws, short dense coat, good silver base and pattern well defined throughout, just slight pigmentation around eyes and nose. Handled well, and in splendid condition, excellent coat pattern.

#### **BRITISH BLACK SILVER TABBY PREMIER NEUTER FEMALE**

1 (GR PC W/H) VASILIAUSKIENE'S PR HOONIKATZ GRIZZLY (18)

Well balanced round head, neat ears with breadth between, short broad nose, chin firm, eyes round and well opened, chin shallow, bite level. Deep cobby body, substantial limbs, short thick tail. Coat short and dense, pattern well defined throughout but faulted on too much pigmentation on head, underparts and body. Of good British type.

#### **BRITISH AOC SILVER TABBY PRE-PREMIER NEUTER MALE**

1 PC BOB VASILIAUSKIENE'S PORTEOUS SILVER SUNRISE (18d)

A well developed exhibit for his age. Round faced, good breadth between neat ears; lovely orange wide open eyes. Short broad nose with break, chin a trifle shallow, bite level. Cobby body of good muscle tone and weight, sturdy limbs, large paws, short thick neck, short tail, short dense coat of rich colouring and well defined pattern throughout. A lovely friendly boy in excellent condition.

**SINGAPURA KITTEN FEMALE**

1 BOB ERVINE'S MINTANDER ACCLAIM AYESHA (77)

Of typical type and head shape, eyes fullyround, almost green, ears of medium size, well set. Slight nose dip, chin firm & bite level, good muzzle. Firm muscular body with elegant limbs proportionate tail, dainty paws. Fine short coat, close lying well ticked with ivory underparts and base, just an odd fleck on front legs. A dainty kitten full of life, in excellent condition – a promising baby

**USUAL ABYSSINIAN KITTEN FEMALE**

1 BOB DUNNE'S MYABYGEM BABIANA (23)

Presented in excellent condition and of quite good type. Moderate wedge, ears of medium size, well placed. Just a slight dip in profile, good contour line to muzzle, eyes a bit small but almond in shape, of golden colour. Firm muscular body , slender limbs, tail tapers to solid tip, neat paws. Short fine coat with good bands of ticking, clear underparts, base could be richer in colour, ream on chin extending to throat; rather resented handling.

**BROWN MARBLED BENGAL KITTEN FEMALE**

1 BOB DMYTRIYEVA'S DOBSHANGRILA FOCUS POCUS (76 20)

Attractive kitten and most promising, in splendid condition. Typical Bengal style head shape, ears well set and rounded, full whisker pads, chin firm, desired nose break, level bite. Body has plenty of substance and weight for her age, slender limbs neat paws, tail proportionate with desired tip . Coat luxurious, soft and dense, pattern beautifully defined throughout.

**FOREIGN WHITE KITTEN FEMALE**

1 BOB SHANNON'S ITIHAT CHRISTIANNE (35)

Excellent presentation, condition and temperament. Even wedge, straight in profile; large wide based ears, vivid blue oriental eyes, chin firm and bite level, possibly a slight teething pinch. Body has length with good muscle tone and substance, elegant long limbs, tapered tail, neat paws. Pure white coat in pristine condition, short and fine in texture.

**SEAL POINT SIAMESE GR CH ADULT FEMALE**

1 (TARA GR CH W/H) GOODISON'S CALVOS MYSTIC BELLE (24)

Rather arrow head, ears large and wide at base, straight in profile, pinched muzzle, deep blue oriental eyes, bite level. Length of body which is quite substantial. Slender neckline and slender limbs, neat paws, tapering tail. Coat very brindled and a trifle long, little coarse. Clear underparts; legs, tail and points almost complete. Faulted on coat. Handled well and of good temperament, small for her age
