Many thanks to Ronnie and the committee for the invite to this very friendly and well run show. My very capable steward was Charlotte Wood. I was really grateful for all her help as I was in a lot of pain with my foot. She was delightful company and I hope she continues to steward. The hospitality shown to me was second to none. Last but not least we're the wonderful cats that were shown under me. Thank you all for making my first time in Ireland a memorable experience.
