

# Coverwell Personal Accident Insurance Policy Summary

Please note that this Summary document does not contain the full terms and conditions of the contract, which can be found in the Policy document. This Policy Summary does not form part of the Policy document. A copy of the Policy is available on request.

The Policy is a personal accident insurance contract that provides cover in the event of accidental bodily injury, which results in death, specific permanent disability, specified fractures or hospitalisation. The sections that apply to your insurance will be stated in the Schedule.

The purpose of this Policy Summary is to help you understand the insurance by setting out the significant features, benefits, limitations and exclusions. You should still read the Policy Document for a full description of the terms of the insurance, including the policy definitions.

The policy is underwritten by Canopius Underwriting Limited on behalf of Syndicate 4444 at Lloyd's. Both the Society of Lloyd's and Underwriters at Lloyd's are authorised and regulated by the Financial Services Authority
