COLOURPOINTED OR MITTED RAGDOLL PRE-PREMIER: FEMALE

1 PR MAZILU POPPYLOVE FEARLESS XENA 66a

A sweet gentle girl, very relaxed. Good body muscle and well boned; fine silky textured coat is very pale with nice blue points in contrast. Well shaped head, ears well set, nice line in profile. Large expressive mid-blue eyes.

TONKINESE/OCICAT/SINGAPURA/EGYPTIAN MAU GRAND CHAMPION: FEMALE

TARA GR CH ARCHER SUP INT GR CH SHADANZA TANZANITE (77)

Super girl, excellent coat and markings; typical head with huge expressive eyes. A very stylish exhibit who went on to become best adult in show so congratulations to puss and her owner.

BROWN SPOTTED BENGAL PRE-CHAMPION: FEMALE

1 CC KENNEDY WILDWATERS ANJUNA BREEZE

An attractive exhibit who is only ten months old and developing very well. Her coat has nice texture and well defined pattern, lovely bright colouring. Head shaping up well, ears are well placed, slightly puffed nose leather, wide-set canines.

2 DMYTRIYEVA DOBSHANGRILA KIAVA

This girl also appeared to be very nice with super pattern to her coat, however, she was extremely upset and very difficult to assess. Well shaped head and ears, lovely eyes are so expressive.

SNOW SPOTTED BENGAL PRE-CHAMPION: MALE

1 CC BOB DMYTRIYEVA HUNTERSBRIDGE ULTIMATE ICE

Very reluctant to come out of his pen so I judged him mainly inside where he was quite co-operative. Well muscle with good bone structure. Lovely coat is soft and dense, very good pattern and overall pearl dusting. Good top of head and ears, muzzle a trifle long, slightly puffed leather, lovely blue eyes.

SNOW SPOTTED BENGAL PRE-CHAMPION: FEMALE

1 CC DMYTRIYEVA BLISSMORE AMEERA

Very nervous and difficult to assess. Attractive exhibit with lovely coat texture and pattern; Good shape to head and ears, broad nose has slightly puffed leather, well-opened expressive green eyes.

BROWN SPOTTED BENGAL KITTEN: FEMALE

1 BOB MACDONALD & QUINN SHIMMERSHINE ROSA OF RAKASTA
An alert and lively youngster well grown for her age of four months. Soft kittenish coat has very well defined pattern, evidence of gold dusting. Head shaping up well, growing into ears which are well placed, large expressive eyes. Very playful.

BROWN MARBLED BENGAL KITTEN: FEMALE

1 BOB DMYTRYEVA DOBSANGRILA OOPSS
Well grown kitten of seven months. Good substance and muscle; soft coat has very nice 'feel' about it, showing warmth to colour, lovely marbled pattern. Head shaping up well, ears well set, broad nose, good muzzle, nice eyes and expression. Lively and alert.

BROWN SPOTTED BENGAL PREMIER: MALE

GR PR BOB DMYTRIYEVA PR DOBSHANGRILA DICE
Well structured boy, good muscle to body; soft dense coat is luxurious, pattern is well defined. Good shape to head and ears, slightly puffed nose leather, wide-set canines, expressive green eyes. Attractive exhibit but rather tense.
