SHOW RULES & REGULATIONS

THESE RULES WILL BE STRICTLY ADHERED TO SO PLEASE READ THEM CAREFULLY. THEY APPLY TO ALL EXHIBITS AND EXHIBITORS

Before you complete the entry form, please make sure that you have read the rules and that you understand them. These Supreme show Rules over-ride the existing Show rules (see www.gccfi.com) should they differ in any way.

VETTING IN

Exhibits will be received at the Show Hall on Sunday 22nd April between the hours of **8 a.m. and 9.15 a.m.**

Please arrive in good time as it is our intention to commence judging at the latest 9.45 a.m. when you will be asked to move away from your pens.

When you check in you will receive an envelope which will be your vetting in card which must be signed by the Vet. You will also receive a numbered label for your carrier. Before leaving your pen tie the label to your carrier and remove any other identifying markings. The carrier will be used to bring the cat to the judging ring. All exhibits must be vaccinated against both Feline Infectious Enteritis and cat 'flu (Feline Calicivirus and Feline Rhinotracheitis) annually. Certificates must be issued more than fourteen days before show date. It is important to bring your vaccination certificates to the show as you will be asked to produce them at vetting-in **and failure to do so will result in rejection.**

All exhibits must be accompanied by their owner or owner's representative. On arrival, exhibits will be examined by a Veterinary Surgeon. The same Vet must examine all cats belonging to an individual exhibitor. All exhibits must be free from any infection or any signs which might indicate infection, including such signs as sore eyes or mouths. Coats and ears must be clean and there must be no sign of parasites. There must be no scabby or bare patches. Any exhibit, which shows the effect of drugs, including sedatives for travelling, will be considered unfit for exhibition and will be rejected.

No exhibit may be penned before it has been examined and no exhibitor or other person accompanying the exhibitors will be allowed into the Show Hall until the cats have passed the Veterinary Surgeon's examination.

Failure to observe this rule will result in the disqualification of the exhibit.

Any exhibit which, in the opinion of the Vet is unfit for exhibition, either at vetting-in or during the Show day, must be removed from the Show Hall immediately, and should the Vet request it, any other exhibit from the same owner

and/or household. The owners, depending on the reason for rejection, may be forbidden to enter the Show premises and all fees will be forfeited. When an exhibit has been rejected the Veterinary Surgeon will issue an official Rejection Form.

THE DECISION OF THE VET IS FINAL AND IS NOT SUBJECT TO APPEAL.

Persons accompanying exhibitors must pay for an entrance ticket, available with entry or at the door on the day.

VETERINARY CLEARANCE CERTIFICATES

If your cat was rejected at any previous show either under GCCFI rules or GCCF rules, a clearance certificate must be submitted and acknowledgement received from GCCFI before you may attend another show.

SHOW DAY

Exhibitors may remain in the Hall all day to watch the judging.

Exhibits are only received on condition that the GCCFI shall not be held responsible for any loss or damage to persons, cats, boxes or baskets, or in any other way.

THE GCCFI FORBIDS THE SALE OF CATS OR KITTENS AT SHOWS.

Sale arrangements may, however, be made at shows but a quarantine period of 7 days must elapse from the show date before a cat or a kitten is released from the breeder to its new home. This is to protect the welfare of the cat/kitten and the interests of the breeder and new owner.

EQUIPMENT

EACH EXHIBIT must have an appropriate secure container with no identifying markings. This will be used to transport the exhibit from its pen to the judging ring. Please label this container with your pen number and make sure this container is under your pen. (A cardboard cat box is not a suitable container). To cause the cat the least amount of alarm a top loading carrier is recommended if at all possible

Each exhibit must be provided with a clean, plain white blanket, white Vetbed or similar proprietary product, also a white litter tray, white water container and white feeding bowl.

We can supply white blankets, litter trays etc. only if ordered with entry.

Please bring your litter requirements WHICH YOU MUST REMOVE AFTER THE SHOW. Management is not responsible for disposing of such matter under the new regulation of waste disposal laws.

JUDGING

Should any of the judges be prevented from fulfilling their engagements, the Organisers reserve the right to appoint other judges. In an emergency, any judge may be changed during the course of the Show with the consent of the Show Manager.

Judges are empowered to withhold any prize or award if in their opinion the exhibit is not of sufficient merit.

A cat that cannot be handled (CNH) may not be judged in its pen and will be disqualified.

EXHIBITION CLASSES

932	Exhibition only (non-competitive & may be decorated)	€35
-----	--	-----

CLOSING DATE FOR ENTRIES
FRIDAY 16th March 2012

NON PEDIGREE SECTION

“Non Pedigree/Household Pets are unregistered cats of unregistered/unknown parent or parents and no registered cat may be exhibited in classes offered for them. Cats with two known registered parents (even if of different breeds) are not eligible to be shown as Household Pets.”

Judges of household pets at the Supreme Show are looking for a typical “moggie” cat and it is therefore possible that exhibits whose appearance resembles a pedigree cat may not be as successful as might be expected.

All non-pedigree cats over nine months old must be neutered/spayed
The natural appearance of the cat must not be altered in any way.

Please read the rules and regulations at the front of this schedule very carefully. They apply to all exhibits with the exception that in this section decorated pens are permitted and encouraged so the rule for white accessories is excused. If you decide to decorate your pen, the measurements are 2x2x2’ or 4x2x2 if you pay for a double pen. You could make curtains to go round the inside of the pen, decide on a theme and follow that through or follow some idea of your own. Dressing the pens may be done on Saturday during setting up (check time with show manager, or if you do so on Sunday morning you must be finished by 9.30 a.m.

ENTRY FORM

The entry form must be completed with the details of your exhibit. Use the cat’s pet name only. Please state whether it is longhair/semi longhair or shorthair and try to describe the colour accurately. Look at the list of colours at the end of this schedule if you need help in describing the colour. You must then sign the declaration on the back of the entry form

Please make sure that you read the owners’ declaration before signing it and tick the box if you do not wish your details to be published in the catalogue index.

The entry must then be sent together with the correct fees to the Show Manager, Closing date for entries **16th March 2012** (post mark) but earlier posting would be much appreciated.

Entries accompanied by incorrect fees will not be accepted.

AS YOU WILL RECEIVE NO FURTHER COMMUNICATION BEFORE SHOW DAY, please enclose a stamped addressed envelope/card or email address, which will be returned to you to confirm acceptance of your entry. (stamp excused for N.I. and U.K. exhibitors)

Refunds will only be made at the discretion of the Show Manager

NON-PEDIGREE ENTRY FEES: € 25 PER EXHIBIT IN EURO

Cheques payable to GCCFI

This fee includes: Entry to your Supreme Class, and to the Decorated Pen Competition. Only single pens normally available 2' x 2' x 2' but depending on availability double pen may requested 4'x2'x'2 at a cost of **€35**

ONE free entry ticket will be given to each exhibitor

Extra tickets may be pre-booked with entry at €4 each but will be €5 on show day.

Persons accompanying exhibitor **must** be in possession of an entrance ticket
