Kenya is one of the East African country that boasts a number of unique national parks, reserves and landscapes, making this one of the most diverse and exciting travel destinations in the world. Each National Park offers a unique wildlife experience, whether it's seeing the

millions of pink flamingo's flocking to Lake Nakuru and the magnificence of thousands of wildebeest and zebra on the Masai Mara, you'll be witnessing two of the world's most incredible wildlife spectacles;

This unique event is aimed at raising funds by way of a sponsorship for the continual medical projects at The Yonibana Sai Hospital in Sierra Leone. It is an all inclusive safari and beach adventure to Kenya which includes:

- 2 nights stay at the Sarova Mara Tented Camp with 4 different safaris in the Masai Mara
- A 1 night stay at the Sarova Lion Hill Game Lodge, Lake Nakuru for 2 further game drives
- 3 days of voluntary work with local charities and staying at the beach side SAI Mombasa Resort (half board)
- 3 nights for rest and relaxation at the fantastic Sarova Whitesands Hotel in Mombasa (half board)

Each sponsorship also includes:

- Cataract Operations for those in need performed by a local charity between 16th and 20th March 2011.
- Feeding poor children.
- Voluntary work to be undertaken by yourselves (activities to be confirmed later).

Our target is to raise as much as possible for our on going project at The Yonibana Sai Hospital, Yonibana, Sierra Leone and facilities to train the local people with practical skills to sustain themselves. Over the past 4 years Better Lives Foundation volunteers have worked to provide better health and hygiene education to the needy people of Yonibana, Sierra Leone. These projects are proving to be a life changing and rewarding experience for both volunteers and community

We look forward to your much needed participation.
