

You've Got A Friend In Me

You've got a friend in me
You've got a friend in me
When the road looks rough ahead
And you're miles and miles
From your nice warm bed
Just remember what your old pal said
Boy, you've got a friend in me
You've got a friend in me
You've got a friend in me
You've got a friend in me
You've got troubles, well I've got 'em too
There isn't anything I wouldn't do for you
We stick together and we see it through
You've got a friend in me
You've got a friend in me

Some other folks might be
A little bit smarter than I am
Bigger and stronger too
Maybe
But none of them will ever love you the way I do
It's me and you
And as the years go by
Boys, our friendship will never die
You're gonna see
It's our destiny
You've got a friend in me
You've got a friend in me
You've got a friend in me
