

Ibis Rifle Club (1992)

Background

Ibis has enjoyed a presence on Bisley Camp since the early 1900's. The club has facilities that must rank as amongst the best on the Camp, and to ensure that these facilities remain accessible to all our members, we will limit the number of members that we accept. We therefore see *Ibis* complementing the larger clubs on Camp, rather than competing against them.

What do we offer?

- A membership comprising shooters of all standards;
- Experienced coaches;
- Superb clubhouse facilities with Armoxy;
- Excellent catering;
- Overnight accommodation;
- Practice and competition shooting through an extensive calendar;
- The benefits of a small club.

What does it cost?

Membership renews on 1 January each year and for 2012 the membership fee is £70, Junior Membership £35, a reduction applies for early payment. There is also a £15 joining fee.

Interested? Then please ask for a Membership Form.

Ibis Rifle Club is grateful to HPS for its continued support of the Ibis Open

HPS Target Rifles Limited
Developers and Manufacturers of
System Gemini Equipment and Target Master Ammunition

THE NEW SHOOTING SEASON AND TIME TO GET YOUR RIFLE SERVICED,

GET YOUR BARREL CHECKED AND REFINISH THAT TIRED WOODEN STOCK.

HPS Target Rifles are the only rifle service and repair centre in the UK that may need rebarrelling at a cost of only £250 including VAT. Considering how expensive target, marker rim, competition, law and game rifles are, it is a small price to pay to ensure you get the best from your equipment when starting off the next shooting season. Note: the service does not include cleaning very dirty rifles – we can do that but at cost!

HPS Target Rifles offers a full rebarrelling and chambering service providing top quality fullbore barrels from Lohman, Weather and Barnham. A standard 307-123 Westbromfield and proofed kit fits at £250, including VAT. Checkered or checkered bedding problems with your wooden stock? HPS Target Rifles offers a pre-sharpened aluminium alloy bedding block, which is firmly glued in becoming a structural part of the stock. The block is specially 'V' shaped to make perfect line contact with the action. No additional bedding required. Cracking, denture and problems with water ingress is then totally prevented. £100, start at £250 including VAT.

FOR ALL YOUR SHOOTING NEEDS - IT'S TIME TO CALL HPS!

Ibis Rifle Club
