

## TIMBER SOURCE QUESTIONNAIRE FOREST DETAILS

- For **ALL NON-FSC** certified timber, please complete a separate form for each species of timber you supply to us.
- Where a timber species originates from more than one source, you should provide details of each source on a separate form and the approximate percentage split.
- Where species and source are common to a number of products you only need to complete one form per source.

***Please note that THE COMPANY Ltd will only accept virgin timber from known, well-managed forests***
