Determination

“I think that determination is the most important value because if you want to succeed in something you have to work hard for it until you reach your goals or your destination.”

“Everything in life is a challenge therefore people need determination to get through on-going challenges. To show it is to achieve set goals.”

“Determination – in school you need to challenge yourself to get the best GCSE’s”

“Determination is important for me at the Academy so I can get my grades to help me get my job at Porsche”

**Academy
Values**

Determination

“I have a determined mind set and show it in school as I am determined to excel and be successful in the ‘real world’.”

“You can show determination by waiting a long period of time to achieve what you want.”

“You can show determination by doing all the things you need to do without distractions in order to reach your goal.”

“We can show determination by focus and concentration and by grabbing new opportunities related to your ambitions”

**Academy
Values**

Determination

“Determination could have a positive impact on the school because teachers and students in year eleven will show determination to try and get good GCSE grades to get us further in life.”

“If I don’t challenge myself I won’t achieve the grades I want. This can be shown when I do well in the subjects I don’t like or think are hard.”

“I can show perseverance by working even harder in my lessons than I did in year ten.”
