

Insight Parent Reporting

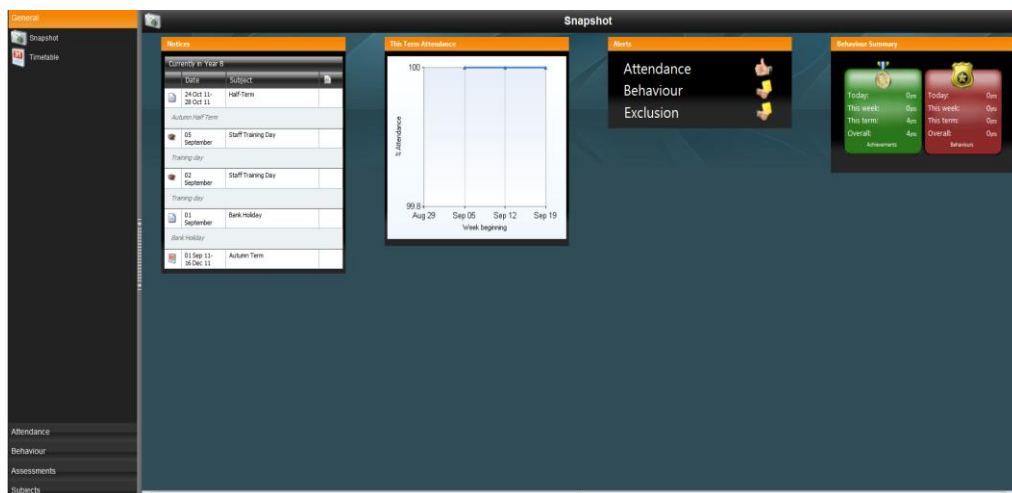

1. Access the website by following the link from www.northampton-academy.org/parents or directly at www.portal.northampton-academy.org

2. Log in with the supplied details. If the slider is ON it will remember your details.

3. Click the picture of your child on the bottom of the screen. You should see all of your children here (if you do not then contact the technical team).
4. On the left you can click each section to see information about your child including their attendance and timetable.

- If your child is off sick or has a medical appointment you can inform us in the attendance section. Historical is for absences that have already happened for which you have not sent a note.

- The latest report is found in the Subjects section
