Integrity

“I think integrity is the most important value, because if you can’t trust people you’re with, then you won’t be able to work well together.”

“Integrity – you need to be honest and ask for help when needed and be able to trust teachers and be open with them.”

“I like it when I’m honest – people think I’m trustworthy.”

“Honesty is important to me because lying is for losers.”

Integrity

“Having integrity means a lot to me because I believe honour and respect are very important in life.”

“Integrity – always telling the truth to each other. It develops trust and it’s easier to tell the truth than deceive other people.”

“Integrity develops trust and helps situations be resolved more quickly.”
