The man was a Russian visitor with no English.	Following the successful resolution of Incident 12, Paul then set off to this job, only to meet the missing man within a few minutes !	2 hours
15	6 <sup>th</sup> September 1900 <b>LANGDALE/ AMBLESIDE</b> Local dog	Search Dog Paddy	Langdale/Ambleside mounted a search in a wooded area near Crook for a missing 19 year old man with a history of autism.	Located by member of public.	2 hours 30 mins
16	15 <sup>th</sup> September 1815 <b>LANGDALE/ AMBLESIDE</b> Full Page	Search Dogs Mist, Paddy, Blisco.	Langdale Ambleside received a request from the Police to search for a missing 76 year old lady with Alzheimer's in the vicinity of the timeshare complex at Elterwater.	Found by staff from timeshare complex before dogs arrived on scene.	30 mins
17	19 <sup>th</sup> September 1730 <b>LANGDALE/ AMBLESIDE</b> L&A / Keswick Dogs	Search Dog Paddy; Mist & Loch to standby at Ambleside base	Langdale/Ambleside received a mobile phone call from a lady (54) and her son (22) who reported themselves lost at the top end of Langdale. The evergreen Roger Pickup with Search Dog Paddy was turned out in the rather unpleasant conditions, but he decided a bit later that he needed some extra backup.	<b>FOUND</b> by Search Dog Paddy on Blea Rigg. It then took a further 3 hours to walk them off !	7 hours 30 mins

			So two dogs from Keswick were also summoned.		
18	20 <sup>th</sup> October 1330 <b>LANGDALE/ AMBLESIDE</b> Local dog	Search Dogs Paddy/Yan a	Langdale/Ambleside got a shout to look for a missing lady with a broken leg on Fairfield / Great Rigg. She had been reported as injured, but the grid reference was incorrect. Search Dogs were deployed to try to pinpoint the accident site.	Found by Team members a long way from the grid reference.	3 hours 30 mins
19	20 <sup>th</sup> October 1900 <b>KESWICK</b> Local dogs	Search Dogs Mist, Loch.	Keswick Team were summoned by a mobile phone call from a 53 year old man lost in bad weather on Great Gable summit. The Team and one search dog responded. The Team did the paths, the dog did the area of grass and scree between the Breast Track and Aaron Slack	Found by a team member nearly at the summit.	3 hours 40 mins
20	29 <sup>th</sup> October 1715 <b>KESWICK</b> Local dogs	Search Dogs Mist, Loch	Keswick Team were called by mobile phone to two separate groups lost behind Green Gable. Although a GPS reference was given, both dogs attended as back up, in case the casualties couldn't read the GPS, as well as the map	Located by Team members in hideous boulder field and escorted to safety.	4 hours
21	29 <sup>th</sup> October 1930 <b>LANGDALE/ AMBLESIDE</b> Local dog	Search Dog Paddy	Langdale/Ambleside went out to locate a group on Great Rigg who reported themselves struggling, by mobile phone. Dog Paddy attended as Roger couldn't think of an excuse quickly enough	Located by Team members on the road near Rydal.	1 hr 30 mins
22	29 <sup>th</sup> October 1930 <b>LANGDALE/ AMBLESIDE</b> L & A. Keswick Dogs	Search Dogs Paddy, Yana, Mist, Loch.	Langdale went out again to look for a missing male in the Central Fells area, and couldn't resist calling Keswick, Wasdale and anyone else they could think of to come and play as well.	Missing Person walked out at first light from Sampson Stones area to be met by Wasdale Team member. The two Keswick Dogs attended direct from incident No. 20.	3 - 7 hours dependent on dog

23	5 <sup>th</sup> November 2000 <b>COCKERMOUTH</b> Local dogs	Search Dogs Brin, Bo, Gali	Cockermouth Team searched the Red Pike area for a missing couple, with the assistance of two search dogs.	They were found by a Team member.	
24	8 <sup>th</sup> November 2230 <b>LANGDALE/ AMBLESIDE</b> L & A. Keswick Dogs	Search Dogs Paddy, Loch.	Keswick and Langdale Teams combined to search for a 50 year old man, who decided to try to walk back from the Old Dungeon Ghyll to Borrowdale after consuming a sizeable amount of alcohol. Not surprisingly, he didn't appear at his hotel, having decided to leave it till 1730 to set off	He was located by Langdale Team members in a vehicle making their way up Mickleden. He had fallen over, and was suffering from minor head wounds and hypothermia. Search Dog Paddy leapt out of the vehicle to offer resuscitation, but this was declined.	2 hours 45 mins
25	18 <sup>th</sup> November 2204 <b>PATTERDALE</b> Full Page	Search Dogs Comet, Mist, Loch, Paddy.	Team were informed of a light on Oxford Crag, and decided to get some dogs in, just in case it developed into a search.	Investigated by Team members, found to be campfire from two campers. False Alarm, Good intent.	2 hours 20 mins
26	20 <sup>th</sup> November 2154 <b>KESWICK</b> Local dogs	Search Dogs Comet, Brin, Paddy, Loch, Yana,	Keswick Team summoned to look for missing solo 54 year old walker between Stonethwaite, Borrowdale, and Wasdale Head. Not much to go at, then !	<b>FOUND</b> - well, tripped over, by Mike Blakey and Search Dog Comet, accompanied by some Keswick Team members, near to Esk Hause. He had got lost - confused by the number of paths - and decided to sit it out, wearing every bit of clothing he had - even his pyjamas. Having	4 hours 45 mins

				said that, once he was shown the way down, he was the fastest of all !	
27	16 <sup>th</sup> December 1905 <b>LANGDALE/ AMBLESIDE</b> Full Page	Search Dogs Loch, Mist, Paddy, Blisco, Dynamite, Brin.	Keswick and Langdale dogs and teams were alerted for a missing walker on High Raise, who was in contact by mobile phone with a fairly clear idea of where he was, but once again with no torch.	<b>Pinpointed</b> by Search Dog Paddy and Roger Pickup, and sundry other Langdale Team members. Fortunately, it was a clear night with no rain, and we were off the hill before 11, which seemed like a good deal.	3 hours
