SARDA LAKES CALLOUTS - 2009

62	8 th November 1800 LANGDALE/AMBLESIDE Local Dog only Stood down at 2000	Beinn	Two people phoned to report themselves benighted in Far Easedale.	The light from their mobile phone was visible from quite a distance. A small group of Team members and Search Dog Beinn soon came across them on the path.
61	31 st October 2239 KESWICK Full Page Stood down at 0746	Flash, Kess, Kitt, Moudy, Skye	A group of 9 students were reported missing / benighted to Langdale Ambleside team, as they were dealing with another incident. As the callout appeared to be in Keswick's area, they took on the task, and asked dogs to assist.	The search centred on the Allen Crag area of Glaramara, and Esk Hause. Despite an extensive search, it proved impossible to locate them in thick mist and heavy rain. Further information received in the early morning put them back in the Langdale area, and they were eventually located on the side of Bowfell & Ore Gap mid morning.
60	27 th October 2354 KESWICK Full page	Beinn, Ginny.	A group of three were reported missing on the Rosthwaite - Grasmere section of the Coast to Coast route.	A search was mounted and the mispers were located by Team members at the top of Wythburn, having run out of light. Walked off.
59	27th October 1730 WASDALE Local Dog	Pippi	A man was reported in difficulties with a back injury on the side of Lingmell. He was in fact benighted.	Found by Team members and walked off with some difficulty.
58	26 th October 1030 DUDDON / FURNESS	Dottie, Flash, Ginny, Kess, Mac	A 60 yr old male was reported missing from home with the possibility of self harm.	

SARDA LAKES CALLOUTS - 2009

57	26 th October 0700 DUDDON / FURNESS Full Page	Dottie, Flash, Ginny, Kess, Mac, Skye	A 50 year old man with a history of depression was reported missing after a walk along the shore near Roanhead.	
56	22 nd Oct 0900 LANCS POLICE All dogs invited	Flash, Pippi, Skye,	Lancs Police requested assistance in a large scale search for a missing man in the Preston area.	Despite an extensive search, nothing was found.
55	22 nd Oct 0340 COCKERMOUTH Local then full page Stood down at 0805	Corrie, Dottie, Fly, Ginny,Mac; Flash, Mist, Pippi, Skye	Police requested a search be made for a missing man suffering from epilepsy, who had not returned from a walk. The search was complicated by the fact that there was no indication which way he had gone.	The Team and dogs searched footpaths in the area of Cockermouth, assisted by an RAF helicopter; the misper was found by a Search Dog Handler about to start a search of a new woodland area
54	21 st October 1850 KESWICK Local Dog only	Ginny	A 31 year old woman reported herself benighted near the top of Walla Crag.	A small team including Search Dog Ginny located her close to where she was expected to be. She was walked off the hill.
53	19 th October 1850 LANGDALE/AMBLESIDE Local Dogs only	Beinn, Kitt	A family of three reported themselves stuck without lights somewhere near Three Tarns.	As it was obvious they weren't going to get off without help, LAMRT sent a group with both dogs to find them.They were LOCATED by Search Dog Kitt (Olly Benson) and Team members, and escorted down off the hill.

SARDA LAKES CALLOUTS - 2009

52	From 9th October WASDALE Limited circulation	Alpha, Ginny, Mist	Police requested that a non-priority search be made for a man who might have been missing in the Lingmell area for 12 weeks.	Search Dogs were asked to clear large areas of ground over a prolonged period to see whether this person could be located. Nothing was found
51	11 th October WASDALE Local Dogs only	Pippi, Rosie	A 64 year old man was reported overdue on a walk down Eskdale from Slight Side, above Wha House.	Wasdale mounted a small scale search. He was located by dogs & Team members and helped off the fell.
50	6 th Oct 2128 LANGDALE/AMBLESIDE Full Page	Beinn, Flash, Ginny, Kess, Kitt	A depressed woman at risk was reported lost in the Ambleside area.	Langdale mounted a search in the Wansfell area, using team members and three search dogs immediately available. Two more dogs joined sometime later, and the misper was FOUND by Search Dog Flash (Dave Watt) . She was assisted to the road by Dave and the other handler in the area.
49	2 nd Oct 1923 WASDALE Full Page Stood down 2015	Beinn, Jake, Kitt, Ginny, Pippi	Couple reported missing on Scafell Pike by their daughter.	Teams & dogs mobilised, then stood down en route when they turned out to be in a taxi en route from Wasdale to Borrowdale, having come down in the wrong valley.
48	22 nd Sept 2015 WASDALE Stood down at 2050	Dottie, Fly, Ginny, Jake, Mac.	Wasdale team requested help from SARDA dog teams as cries for help had been heard near the corridor route on Scafell	Dogs were due to search from Keswick and Wasdale sides when they were stood down.
47	21 st Sept 1700 KESWICK Local Dogs only	Ginny, Mac, Mist	An abandoned car led the police to request a search for a missing depressed female in the Thirlmere area.	A search of the local area failed to turn up any trace of her. Police enquiries are

SARDA LAKES CALLOUTS - 2009

	Stood down at 1930			continuing.
46	18 th Sept 0400 LANGDALE/AMBLESIDE Local Dog only	Beinn	A male was reported injured but lost in the Orrest Head area.	Search Dog Beinn was mobilised while Langdale tried to sort out the details of the incident. The man was LOCATED swiftly by Search Dog Beinn (Roger Pickup). He had back injuries, and was evacuated by the Team.
45	16 th Sept 2120 KESWICK Full Page Stood down at 2326	Beinn, Dynamite, Fly, Jake, Kitt, Mac, Skye.	A man reported himself lost on the Coast to Coast route.	Keswick organised the search, and dogs attended. He was located by Team members with Search Dog Mac near the top of Green Gable.
44	2 nd Sept COCKERMOUTH Local Dogs only	Fly, Jake	Cockermouth Team were called upon to find two missing walkers lost in cloud on the Coast to Coast route between Black Sail and Honister. (Search Dogs Fly & Jake responded after being stood down from Job 43)	The group were LOCATED after whistles were heard by Search Dog Jake (Laura Connolly) and Team members near the top of Green Gable.
43	2 nd Sept 1755 KESWICK Full Page	Flash, Fly, Dottie, Ginny, Jake, Mac, Skye	An inexperienced group of 5 (one adult, four children) reported themselves in cloud in the Central Fells, stuck with an injured child. Weather conditions were appalling.	Keswick mobilised a search, calling for dogs to be available in the event of the primary search being unsuccessful. The group was located at Calf Cove by a team member, and the injured child evacuated to Seathwaite by stretcher. The remainder were walked off.

SARDA LAKES CALLOUTS - 2009

42	2 nd Sept 1730 LANGDALE/AMBLESIDE Local Dogs only	Beinn	A garbled mobile phone call alerted Langdale team to a possible missing group, perhaps in the Skelwith area.	Langdale initially searched the river near Skelwith Force with their search dog and Team members, before a chance conversation with Coniston MRT indicated that the two teams were on the same job.
41	30TH August 1300 BOWLAND PENNINE Southern Dogs only Stood down 1700	Beinn, Skye	Lancs police requested assistance in a search for a missing depressed female. <i>(Search Dog Skye's first search)</i>	Bowland Pennine requested assistance from a couple of Lakes dogs. The misper's body was found by a local farmer in the River Lune. FATAL.

SARDA LAKES CALLOUTS - 2009

40	28th August 1115 PATTERDALE / KESWICK Full Page Stood down 1240	Beinn, Flash, Ginny, Kess, Mac, Moudy	A couple were reported as missing from their guesthouse in Windermere, having been apparently out all night. Their proposed destination was Helvellyn, but no information was forthcoming about their route.	The lack of relevant information meant that a plan was difficult to formulate, with limited resources. Fortunately it was resolved when they walked in - having been on Glaramara, 6 miles in the opposite direction !. They had spent a very wet and uncomfortable night out as a consequence of having no compass or torch, and not letting people know they had changed their plans. There's a moral in this somewhere..
39	24 th August 2300 LANGDALE/AMBLESIDE Local Dog only	Beinn	A group of 5 phoned to report themselves benighted somewhere in the vicinity of Rossett Ghyll.	As the location of the group was fairly straightforward, Langdale sent a small group out to check the area. They were LOCATED by Search Dog Beinn , and then walked off by the team members.
38	21 st August 1835 PENRITH Full Page Stood down 1854	Beinn, Dottie, Ginny, Mac, Mist en route	73 year old male separated from a family group was reported as missing in the Riggindale area of Haweswater.	As Penrith were organising a search, the man phoned in to say he was safe in the car park!

SARDA LAKES CALLOUTS - 2009

37	16 th August 1015 WASDALE Full Page Stood down at 1044	Rosie on the hill: Dottie, Ginny, Mist, en route	Another pair of Three Peaks enthusiasts who were overdue, but made more urgent because of a possible medical problem with one of them.	Dogs en route when they called in to say they were safe and descending via Eskdale
36	15 th August 2100 LANGDALE/AMBLESI DE Local Dogs only Stood down 0100	Beinn Kitt	Couple reported themselves lost in Far Easedale.	Langdale organised small group to search probable area. LOCATED by Search Dog Beinn after whistles heard. They were walked off by the Team.
35	14 th August 1826 BOWLAND PENNINE Specific Page 2 dogs	Dottie, Kitt	Bowland Pennine requested the assistance of two dogs from SARDA Lakes to assist with a search in the Lancashire area.	The dogs had just arrived in the area when the person concerned was located.
34	13 th August 2300 WASDALE Local Dog only Stood down 0239	Rosie	A family of 5 without torches or sufficient equipment got benighted in Eskdale. The alarm was raised by a member of the party who managed to get down before darkness fell.	Wasdale MRT sent out a small group, including Search Dog Rosie who LOCATED them a mile beyond Taw House Farm. They were walked off the fell
33	9 th August 0845 WASDALE Full Page Stood down 0901	Ginny, Pippi, Rosie on hill; Corrie, Fly, Kess, Mac en route	Yet another pair of Three Peaks walkers got lost, and were reported missing.	Wasdale were winding search up, dogs from Keswick were en route to the scene, when the damp mispers were reported safe, having walked off into Eskdale

SARDA LAKES CALLOUTS - 2009

32	6 th August 0930 LANCS POLICE Local Dogs (South Lakes) Stood down 1330	Beinn Kitt	Lancs Police asked for the assistance of two dogs to search after an incident.	The dogs attended a scene in Burnley but were stood down after the evidence sought was located by a police officer.
31	23 rd July 1014 KESWICK Full Page Stood down at 1215	Dottie, Ginny, Mac; Rosie en route	A group of 4 girls on a D of E expedition who had been missing overnight contacted police to say they were lost in thick cloud in the Esk Hause area.	Keswick Team immediately mobilised Team members and dogs. The girls were FOUND swiftly by Search Dog Ginny (Mick Guy) 500m down into the Upper Esk area, and they were escorted down by the Team unhurt.
30	19 th July 2206 WASDALE/ KESWICK/ LANGDALE Local dogs only	Beinn. Ginny, Kitt.	Wasdale Team requested search for two missing Chinese, one of whom had a leg injury.	Search stood down at 2245 when Wasdale re-established contact, and the mispers were on their side of the hill. Wasdale then had to stretcher casualty off the hill.
29	17 th July 2125 KESWICK Local Dogs only	Mac	An empty Canadian canoe was spotted floating past Low Briery Campsite. The Team and Fire Service were asked to mount a search.	The Team searched the banks between Low Briery and Threlkeld, using Team members and a Team search dog. The mispers turned up on the road safe and well, having capsized at one of the weirs.

SARDA LAKES CALLOUTS - 2009

28	2nd July 2130 KESWICK Stood down 2230	Dottie, Moudy, Beinn, Dynamite, Mac	An American tourist was reported as overdue on the C2C route	Dogs were deployed to search likely routes from Honister Pass but the gentleman turned up in WASDALE shortly after!
27	30 th June 2325 WASDALE Stood down at 1000 1 st July	Ginny, Kess, Flash, Pippi, Rosie, Vinny Later: Dottie + 1 dog from S Scotland, 1 dog from NE England	A mother (80 yrs) and her daughter (50yrs) and their three collie dogs failed to return to their campsite after a walk on Scafell. Wasdale Team called for dogs and a helicopter to assist them in searching.	An extensive search failed to turn them up, in very warm conditions with little or no wind. They manage to shelter in the Burnmoor Tarn area, and make their way off after dawn. They were fortunate that it was very warm.
26	28th June 1116 POLICE/WASDALE/MRCA Full Page Stood down at 1530	Alpha, Dottie, Fly, Kess, Kitt, Moudy, Rosie	Police and Coastguard requested the assistance of search dogs to search for a missing fisherman who had failed to return after a night in the Eskmeals estuary.	Wasdale Team organised the land search using MRT resources. Dogs searched the sand dunes and foot path areas, but nothing was found. At the current time, the issue is unresolved.
25	28 th June 0200 KENDAL Local dogs only	Kess	Flashing Lights seen on Gummerts How.	Kendal requested a check be made of the area. Nothing found - False alarm with good intent.

SARDA LAKES CALLOUTS - 2009

24	20 th June 0900 KESWICK Stood down 1000	Beinn, Dottie, Flash,Fly, Ginny, Kess Moudy, Vinny,	A fellrunner was reported seriously overdue on a Bob Graham run after the first leg. Given the weather and his experience, it was judged necessary to mount an immediate search.	The dogs were training in Barbondale, and left for the area immediately. However, they were stood down just short of Keswick when the runner turned up, having missed his first checkpoint.
23	16th June 2037 LANGDALE/AMBLESI DE Full Page Stood down 2125	Beinn; Corrie, Dottie, Flash, Fly, Ginny, Jake, Mac, Moudy, Vinny en route. SARDA LAKES CALLOUTS - 2009

7	<p>1st Feb 1805</p> <p>LANGDALE/AMBLESIDE</p> <p>Local Dogs only</p> <p>Stand down 0300</p>	<p>Beinn</p> <p>Vinny</p>	<p>A party of 4 were reported missing on the Crinkles in high winds, driving snow and icy conditions.</p>	<p>Langdale Ambleside set up the search north to south of the Crinkles. Search Dog Beinn (Roger Pickup) FOUND the first of the party, When Roger closed in on the dog, he thought he was barking at a rock. This turned out to be a lady, immobile, and almost frozen to the ground in an icy gully. The rest of the party were located further down. Two ended up as stretcher cases, the other two were walked off.</p> <p>This would have been a certain fatality unless she had been found when she was.</p>
---	--	---------------------------	---	--

SARDA LAKES CALLOUTS - 2009

6	23 rd January 1600 KESWICK Full Page	Corrie, Dottie, Fly	A lone female walker set off to walk up Skiddaw despite increasing wind and imminent snowfall. She got caught in blizzard conditions close to Little Man, and phoned for help.	Keswick Team were already committed to a rescue on Blencathra, so called in Cockermouth to assist a small group. Her torch was spotted by Keswick Team members, and Search Dog Corrie (Andrew McNeil) and Cockermouth Team members located her on Hare Crag. She was walked off unhurt.
---	--	------------------------	--	--

SARDA LAKES CALLOUTS - 2009

5	<p>20th January 1430 KESWICK Full Page Stood down 2200</p> <p>Assistance was needed from Cockermouth and Patterdale Teams to evacuate 5 casualties.</p>	<p>Corrie,Dottie, Fly, Ginny, Jake, Mac, Vinny (On the hill)</p> <p>Flash en route</p>	<p>A group of walkers reported themselves stuck and lost on Skiddaw summit in blizzard conditions. Numbers were vague at first, but it turned out there were 4 together and one missing. Keswick Team turned out and managed to locate the group of 4 in the summit shelter in atrocious conditions</p> <p>The group of 4 was evacuated - which eventually needed 3 stretcher parties, whilst a search was mounted for the missing member of the party.</p>	<p>One 64 year old had become separated from the group, and the search centred around locating her before she succumbed to the weather. She was FOUND by Search Dog Mac (Elly Whiteford) after a search of the summit area. She was cold and hypothermic, but was able to be walked off by Cockermouth team after treatment.</p>
4	<p>19th overnight /20th January 0644 KIRKBY STEPHEN Local Dogs initially Full Page am</p>	<p>Overnight: Flash + two dogs from SARDA England.</p> <p>First light: Dottie, Ginny, Vinny.</p> <p>Pippi, Alpha en route</p>	<p>A 32 year old male was reported missing whilst walking the Pennine Way in poor conditions, more than 24 hours after he should have arrived at his accommodation.</p>	<p>Kirkby Team organised a brief search of the route during the night, and stood up dogs and teams at first light. The misper turned up fairly quickly - it transpired that he had sheltered in a shooting bothy during the bad weather, and it was only when it cleared that he started to move, and got a signal on his mobile phone, which enable him to make contact. He was picked up by an RAF Sea King near Great Rundell Tarn.</p>

SARDA LAKES CALLOUTS - 2009

3	18 th January PENRI TH Local Dogs	Dottie, Flash	A member of the public reported someone in distress in the River Eamont.(?)	Penrith and Kirkny Teams searched the banks but nothing was found.
2	10 th January 2018 KESWICK Full Page Stood down 2042	Fly, Ginny, Jake	Police were contacted by a group of walkers lost on Great Lingy Hill, who were unable to locate the shelter of the shooting hut, and had a member who was beginning to suffer the effects of hypothermia.	Keswick Team mobilised immediately, requesting dogs to search the area to the north of the hut, as the prevailing wind would be in their favour. However, the group phoned again as the dogs were en route to say that they had found the shelter, and were OK.
1	6 th January 1700 KESWICK Full Page Stood down at 1930	Ginny, Mac (on the hill). Dottie, Flash, Fly, Pippi stood down en route.	A 32 year old man reported himself lost on Helvellyn, having set off from Wythburn Church at 2 pm. He had very little gear, no torch, and was walking in baseball boots.	Keswick Team called for dogs as it was not at all clear where he thought he was. A light was spotted high on Birkside, which seemed to fit the area he described. Keswick's two dogs were immediately despatched, and he was LOCATED after a short search by Search Dog Mac (Elly Whiteford)
