

Callouts 2010

"Full Page" means that all of the Lake District Mountain Rescue Search Dogs were paged to attend. **"Found"** means that the dog team found the casualty with no prior knowledge as to his/her location. **"Located"** indicates that the Team or dog handler had a rough idea where the missing person(s) was.

No	Date/ Time/ Team Area	Search Dogs	Details	Outcome
1	3rd January 1545 Penrith Full Page – all dogs Stood down 1700	Dottie on the hill; Fly, Kess, Mac, Moudy en route	Two 22 year olds were reported missing in the High Street area.	Penrith MRT requested the dogs to assist in the search for the individuals along the main routes to Highstreet via Kidsty Pike and Loadpot Hill. The search was stood down when the mispers arrived at their location.
2	4th January 0826hrs Keswick Local Dog Only Stood Down 1100hrs	Mac	Screams heard from the direction of the lake from Hawes End and Derwent Bay Bears at approx 7am.	The search proved to be a false alarm with good intent after a number of hours.
3	16 th January 1235 Keswick Full Page – all dogs Stood down 1350	Corrie, Dottie, Flash, Fly, Kess, Mac, Skye.	3 people were caught in an avalanche in Hind Crag Gill on Glaramara - The first person was carried 600ft and was partially buried, the remaining members of the party were then stranded above the avalanche zone.	Keswick team responded swiftly, calling dogs in case the avalanche debris needed to be searched. Luckily the victim managed to dig himself out as rescuers arrived on scene (he sustained slight injuries) - the 2 others were assisted from the area by members of Keswick MRT.
4	22nd Jan 1800 Penrith Full Page Stood down 2000	Dottie; Flash, Moudy, Kitt, Skye en route.	A female walker and her 72 year old father set out on a walk from Bewcastle towards Newcastleton but veered off the route and became lost. The Team was able to talk to the lady by mobile phone, and she described her location as a three- sided forest clearing near some rocks. SARDA Dogs were	Based on the likely location, the helicopter was able to fly direct to the scene and quickly located the couple at Christianbury Craggs. They were safe and well, but ill-equipped for the thick snow and night time conditions. Furthermore, the 72 year old

			tasked and a Sea King from RAF Boulmer was called to assist.	Father had a known heart condition and at the time was suffering from chest pains. Both walkers were airlifted to safety and taken to Cumberland Infirmary Carlisle for checkups.
5	24 Jan 1540 Keswick Local Dog only Stood Down 1956	Mac	A group of 6 reported themselves lost on Glaramara-the cloud was down and they had no torches, becoming quickly disorientated after leaving the summit.	A Searchdog was tasked to search Combe Gill, up on to ridge above Doves Nest and along to Glaramara. The group, who had been on the move, were eventually located by KMRT members ascending Grains Gill.
6	28th Jan 2230 Penrith Local Dog only Stood down 0100	Dottie	Police requested assistance in searching for missing despondent male possibly intent on self harm in the Brampton area.	Police requested PMRT search the area of Gelt Woods and Abrahams Cave following information received. 5 Team members plus search dog Dottie searched the area and immediate vicinity - nothing was found. Police are continuing with their enquiries at this time.
7	1 st Feb 2015 KESWICK Local Dog only Stood down 2200	Mac	Lights reported on the top of Carrock Fell, in an area where walkers unlikely to be.	The Team mounted a search of the area. The lights belonged to two climbers who had been climbing, and were making their way off the top. False Alarm with good intent.
8	4 th Feb 1430 Langdale/Ambleside Local Dogs only Stood down at 1800	Beinn, Kitt	Male with broken arm lost on top of the Crinkles.	A search was organised, focussing on Shelter Crag. He was eventually located by Team members at Rest Ghyll. He was able to walk down once splinted.
9	4th Feb 1444 Keswick / Wasdale Full Page	Moudy, Beinn, Kitt, Pippi, Skye.	A 53 year old female reported herself lost in the Esk Hause / Great End area, but had really very little idea where she was.	Given the conditions, and her mounting anxiety, teams were mobilised quickly to locate her.

	Incident ended 2100			She was eventually located by a Wasdale team member at Stand Crag on the Corridor route, and was escorted down to Seathwaite by a Keswick Team member and Search dog Moudy & handler.
10	6th Feb 1930 Langdale/Ambleside Local Dogs only . Stood down 0300	Beinn, Kitt	Two Chinese visitors were reported missing in the Far Easedale area. They were very confused.	A search was started, but with conflicting information. Eventually, one of the dog handlers saw their lights, and with some triangulation with another Team member, established that they were in fact on Helm Crag, from where they were evacuated
11	13th Feb 2005 Cockermouth Local Dogs only	Corrie, Fly, Jake	Two missing females reported themselves injured (head injury), and on steep ground below Pillar Rock.	Cockermouth organised a search of the area. The pair were located by a Sea King helicopter. They were assisted by team members prior to being airlifted to West Cumberland Hospital.
12	26th Feb 1408 Penrith Full Page Stood down at 1630	Beinn, Flash, Ginny, Kitt	An 84 yr old Alzheimer's patient was reported as missing from home in Morland, clad only in pyjamas, in very cold conditions.	The Police requested Penrith Team to organise a search of tracks, fields and woodland. The weather was cold and wet, with sleet. The misper returned home at 1630, having been asleep in an adjacent property, and quite unaware of the activity he had generated!
13	3 rd March 1427 KESWICK	Fly, Ginny	An avalanche in Window Gully, Great End, was witnessed by a passer by, who had	As an immediate response was required, Keswick team went

	Local Dogs only Stood down at 1555		spoken to a solo climber entering the gully not long previously. An Air Ambulance and RAF helicopter from Leconfield were requested to allow the team & dogs to access the area quickly.	with the dogs it could raise from the immediate area. In the event, the casualty had escaped the avalanche, (lucky man) and the various agencies were stood down.
14	13 th March 1230 PATTERDALE No page, dogs on scene at training exercise Concluded 1345	Searchdogs Dottie, Flash, Ginny and Trainee Searchdogs Sam and Olly	Whilst the SARDA dogs were training in Brown Cove a group of 4 climbers were ascending a Western Gully. Approximately 20m from the top of the gully, a female climber slipped and fell approximately 200m. The handlers and bodies (members of MRTs) immediately went to the climbers assistance and raised the alarm with Patterdale MRT.	After falling for 200m the climber came to rest on a steep snow slope - the casualty was miraculously conscious and appeared to be suffering from wrist injuries and bruising to other areas - in order to ensure all was well, she was evacuated from the fell by the SARDA personnel and members of Patterdale MRT to a waiting RAF Sea King. It transpired that all she had was a broken wrist, and she attended her climbing club dinner the same evening !
15	16 th March 2035 PATTERDALE Local dogs requested Stood down 0000	Ginny, Mac	A 73 year old man reported himself lost on High Street.	Patterdale had an idea of his rough location, but requested two search dogs to search the area above Hayeswater in case he had descended into one of the gullies.
16	26 th March 1730 KIRKBY STEPHEN Full Page Stood down at 0015	Flash, Ginny, Kitt + 4 SARDA England dogs	A couple reported themselves as lost on the Pennines above Dufton in poor visibility.	A large search with three teams and dogs were deployed, and because of lack of information and the huge area involved, it took some time before they were found by Teesdale team members on ground to the the NE side of Gt Rundale Tarn.
17	29 th March 1600 COCKERMOUTH Full Page	Corrie, Fly, Ginny, Jake, Mac (On the hill)	A couple reported themselves lost and cold in snowy conditions and poor visibility between Red Pike and High Stile.	Cockermouth Team mounted a comprehensive search of both sides of the Red Pike ridge, and

	Stood down 1820	Dottie, Kitt, Skye en route.		their shouts were heard by Team members searching in the Bleaberry Tarn area. They were located by a Team member close to the summit of High Stile in a very cold state, and assisted down to Gatesgarth.
18	30 th March 0412 Swaledale Full Page Stood down 1000	Flash on hill Moudy en route; 3 SARDA England dogs.	A 63 year old man was reported overdue from a walk in the Garsdale area.	He was found in an area near Garsdale Station by a SARDA England dog (Teesdale MRT), unhurt but very cold, and evacuated by MR personnel.
19	12th April 2300 Keswick Full Page Stood down 0130	Flash, Fly, Ginny, Jake, Kitt, Skye	An elderly person was reported missing from home in the Keswick area.	After a lengthy search of the local woods, fields and parks, the lady was discovered to be tucked up in the local hospital !
20	14th April 0700 Lancs Police Southern dogs Stood down 0745	Beinn, Kess, Skye	Lancashire Police requested the assistance of SARDA Lakes dogs in the search for a missing person.	The dogs were stood down en route when the misper was located.
21	23 rd April 1825 Penrith / Kirkby Stephen Local Dogs only Stood down 1915	Dottie, Flash	A despondent woman was reported missing in the Hilton/Murton fell area of the Pennines	The misper was located on the fellside shortly after dogs arrived at the rendezvous point.
22	2nd June 1709 Wasdale Stood down 2200 3 rd June 0500 – 0900	Beinn, Corrie, Ginny, Jake, Kess, Kitt, Mac, Rosie plus SARDA England & S. Scotland dogs.	Cumbria Police requested assistance to search hedgerows, woodland and verges for possible casualties following a series of shootings in the West Cumberland area.	Dog teams assisted MR personnel to search a significant amount of land over four hour period. Nothing was found.
23	12 th June 1600 Langdale/Ambleside Full Page Stood down 1620	Dottie, Fly, Kitt, Beinn, Kess, Jake, Moudy	A child was reported as missing in farmland in the Langdale area.	The child was located safe and well, as the searchdogs were en-route.
24	14 th June 1035	Dottie, Mac, Fly,	72 year old male was reported missing	His body was located by a

	Keswick Full Page Stood down 1535	Ginny, Kitt, Beinn, Kess	from his holiday accommodation having intended to walk possible routes from Seatoller.	member of the public, having fallen a significant distance near Sphinx Rock, Great Gable. FATAL.
25	17th June 1930 Duddon & Furness Full Page Stood down 2300	Dottie, Skye, Kess, Beinn	A 50 year old male despondant was reported missing in the Black Combe area of the Duddon Fells.	Searchdogs were tasked to search Black Coombe as this was the place he had last been seen. The search was halted after approximately 4hours. The man's body was located subsequently (20th) in dense undergrowth in the area, though not one covered by dogs.
26	24 th June 2345 Langdale/Ambleside Local Dogs only Stood down 0005	Beinn, Kitt, Pippi	A 60 year old diabetic man was reported missing in the Langdale area.	The misper turned up as dogs were deploying.
27	28 th June 1652 Cave Rescue Organisation Full Page Stood down at 1830	Beinn, Dottie, Ginny, Kitt, Skye; Gyp (SARDA E); Jake en route	Police requested a search for a missing 38 year old man who was at risk of self harm near Dent.	A search of the local area was instigated, and the misper was found dead by Search Dog Gyp (SARDA England) not far from his home.
28	1 st July 1454 Kendal Full Page Stood down 1610	Beinn, Dottie, Fly, Ginny, Kitt, Skye.	Police requested help to find a missing 87 year old lady who was threatening self harm. (She had been missing for 21 hours at this stage)	Kendal Team organised a search of the local area round Staveley; dogs helped to clear patches of woodland. She was found alive in bushes close to a main road by Team members.
29	1st July 1930 Penrith Full Page Stood down at 2130 Off the hill at 2300	Dottie, Flash, Ginny on the hill; Beinn, Kitt, Skye en route.	A 51 year old woman reported herself lost on the Pennine Way between Cross Fell and Dun Fell.	Penrith deployed dogs and Team members into the most likely locations. She was FOUND by Search Dog Dottie (Kaz Frith) in very poor visibility, on the rim of Cross Fell in a hypothermic state. After some rewarming,

				she was assisted from the fell by Team members.
30	6th July 1700 Langdale/Ambleside Local Dog only Off the hill 2000	Beinn	A woman reported herself stuck on steep ground in poor visibility on Steel Fell.	Members of Langdale Ambleside MRT located her and helped her to safety.
31	17 th July 1001 Wasdale Cockermouth Full Page Stood down 1800	Dottie, Fly; Beinne & Corrie later.	Police requested help to search for missing 54 yr old depressed male missing from home.	Despite an extensive search of fields, scrub and woodland nothing was found. His body was discovered in a nearby river later. FATAL
32	22nd July 1610 Kirkby Stephen Local dog only Stood down at 1900	Flash	A 40 year old woman reported herself crag fast on Wild Boar Fell, Mallerstang with her two dogs.	Kirkby Stephen mounted a search, and she was located by Team members on one of the rocky terraces.
33	24 th July 1654 Langdale/Ambleside Full Page Off hill at 2215	Beinn, Dottie, Ginny, Jake, Skye, Mac	Two males reported themselves lost in thick mist somewhere on the Crinkles.	Langdale Ambleside mounted a search, but this was complicated by a subsequent call out for an ankle injury. A large area was searched, only for the missing pair to report themselves safe having walked off down to Brotherilkeld.
34	25 th July 0220 Cockermouth Local Dogs Stood down at 0730	Corrie, Fly, Jake	Police requested assistance to find missing 72 yr old injured walker who had fallen near summit & his grandson in the area of Haycock.	A Search was immediately organised by Cockermouth team. The child was found very quickly, having tried to make his way off and ending up close to Irish Bridge, Ennerdale. The grandfather was FOUND by Search Dog Corrie (Andrew McNeil) The team carried the grandfather down to a point where he could be evacuated by helicopter, suffering from a leg injury and hypothermia.
35	25 th July 1740	Flash plus 2	A lone male walker rang the Police stating	The team members and dog

	Kirkby Stephen Local Dogs Stood down at 2000	dogs from SARDA England	he was lost in fog above Uldale.	handlers carried out footpath and area searches. The man was contacted by the KSMRT leader who managed to talk him down to safety.
36	25 th July 2000 Keswick Full Page Stood down 2227	Ginny, Fly, Mac, Ollie	A 13 year old youth was reported as having become separated from mother / sister at Sty Head.	After the team and dogs had been deployed for some time the misper walked into the Langstrath Hotel safely; but the car was at Wasdale - and he had the keys!
37	31 st July 1900 Wasdale Duddon & Furness	Skye	An 80 year old male was reported as missing in the Broad Crag area. This was at the same time as Wasdale were dealing with a search on Sight Side	The missing man was found and in need of a very lengthy stretcher carry involving dog handlers and team members.
38	2 nd August 2200 Keswick Stood down 2245	Ginny, Mac	72 year old reported missing by coach party, had not returned.	A search was mounted, only to be stood down when the Police reported that the misper had rung in from Liverpool(!) to confirm he was safe.
39	5 th August 1935 Keswick Local Dogs only Stood down 2035	Ginny, Mac	A husband and wife got separated on Blencathra; when he returned to the car, she was nowhere to be found.	The Team organised a local search of the footpaths and roads, and the two search dogs were tasked to search Halls Fell Ridge and the adjacent gill. She turned up on the road having taken a wrong turning, and was found by Team members.
40	6 th August 1221 Langdale/Ambleside Local dog only Stood down 1850	Beinn	A solo walker reported himself hypothermic somewhere between Seatoller and Grasmere. Initial indication suggested the Grasmere side.	He was located after a search of three and a half hours on the side of Ullscarf, and evacuated by air ambulance.
41	8 th August 0700 Langdale/Ambleside Local Dog only	Beinn	A single male reported himself in cloud but insight of Kirkstone quarry. He had been out all night and lost	The dog team was tasked to search Kirkstone area. with 4 team members - using mobile

	Stood down at 0900			phone and blue lights to locate casualty. He was eventually sighted on ridge. Met up with casualty and brought him down safely.
43	9 th August 2355 Wasdale Local Dog only Stood down 0345	Ollie	Three males doing the 3 peaks became separated near summit of Scafell Pike in mist. 1 got down, the other 2 failed to turn up. The only mobile phone and map in the party were with the person who got down.	After an extensive search the mispers were <i>located by searchdog Ollie</i> after the handler saw torchlights on slope between Lingmell Col & head of Piers Ghyll.
44	11th September 2215 Langdale/Ambleside Local Dogs only Stood down 2320	Search Dog Beinn	Reports were made of shouts for help in Wansfell area.	Cause turned out to be a man, much the worse for wear, who was looking for his holiday accommodation. He denied being the subject, but his group of friends – also the worse for wear – confirmed that he had been the one. Search stood down.
45	18 th August 1900 Langdale/Ambleside Local Dogs only Stood down 0100	Beinn, Kitt	A Mother and daughter became lost on the back of Crinkle Crag after walking south to North. LAMRT were in mobile contact with them, but they were clueless as to their location. They were asked to walk but decided they couldn't go any further and stopped.	After a search, shouts were heard in heavy mist, they were <i>located by Search Dog Beinn</i> in their bivvy bag on Lincove beck path. It was reported by the casualty that Searchdog Beinn kissed her before he barked !! Both were very tired and cold. Walked back to 3 Tarns and then back down The Band.
46	18 th August 2100 - 0200 19 th August 0600 - 1030 Keswick Full Page	Ginny, Mac, Skye overnight; Dottie, Flash, Ginny, Kess, Kitt, Ollie first light	A 52 year old man was reported missing after going out for an early morning walk on Blencathra. Keswick organised a search of the footpaths and obvious descent routes overnight; with nothing found, the search was escalated at first light with Penrith and Kirkby Stephen	After some hours, the man's body was FOUND by Search Dog Ollie (Penny Kirby) in steep and broken ground below Halls Fell Ridge. He had fallen 200m. FATAL

			Teams and more dogs.	
47	21 st August 1640 Kirkby Stephen Local Dog only	Flash	A 50 year old man left home at 0730, and failed to return. He had a history of mental illness / depression, and this was the second incident of this type.	The man was spotted by a Team member whilst the Team were en route to the search area.
48	28th August 1740 Duddon & Furness Full Page Stood down 2300	Search Dogs Kess, Skye; SARDA E dog Floss & trailing dog Mij	Police requested assistance from MR & Coastguard teams to look for a male suffering from depression in the Ulverston area.	Teams and dogs drew a blank, though the trailing dog did show an interest in one specific area which was thoroughly searched.
49	1 st Sept 0140 Patterdale Full Page Stood down 0400	Search Dogs Beinn, Dottie, Ginny, Mac.	A 55 year old man was reported missing after he had been fishing on Ullswater, His boat was found upside down on the lakeshore.	Dogs and team members searched the area of shoreline around the area of the boat. His body was found by a specialist police diving team later that day. FATAL.
50	13th Sept 1530 Keswick Local Dogs only Stood down 1640	Search Dogs Dottie, Ginny	An elderly man and two lady companions were following the pony track up towards Helvellyn from Thirlmere. The man left the two ladies to reconnoitre the path in thick bracken and disappeared.	Keswick team members and dogs searched the area where he was last seen. It turned out that he had gone all the way to the top, leaving them sitting about a third of the way up!
51	13 th Sept 0100 Patterdale & Langdale/ Ambleside Full Page Stood down 0500	Beinn, Jake, Kess, Skye.	A solo male walker reported himself lost between Kirkstone and Fairfield.	Langdale Team organised a search, and he was FOUND by Search Dog Beinn (Roger Pickup) at 0315, hidden in bracken 50m off the path near the head of Scandale Pass.
52	16 th Sept 2230 Wasdale Local Dog only Stood down at 0200 on 17th	Ollie	A party of two, one with a shoulder injury, reported themselves lost on Scafell, thought to be near Hollowstones.	<i>Located by Search Dog Ollie,</i> after a torch light was seen in the area by the handler. Casualty and companion treated by members of Cockermouth MRT, and stretchered down.
53	18th Sept 1900 Langdale/ Ambleside Full Page	Beinn, Flash, Sam, Skye. (Sam's 1 st	Two women reported themselves lost somewhere on the Crinkles, perhaps near Rest Ghyll?	A team member found them at....Rest Ghyll! They were escorted safely from the hill.

		callout)		
54	18th Sept 1940 Langdale/Ambleside Full Page (A simultaneous call with No.48 – the handlers moved from one to the other)	Beinn, Flash, Sam, Skye.	Two youths got separated from their party in the Cold Pike area.	They were located by an LAMRT member.
55	21 st Sept 1000 Cave Rescue N.Yorks. Full Page Stood down 1050	Search Dogs Dottie, Ginny,Flash, Fly, Kess, + SARDA England dogs and Trailing Dog Mij, SARDA Wales.	A despondent male had been out all night. CRO had been out all night, and requested assistance from SARDA Lakes.	He was found by a police helicopter whilst Lakes dogs were in transit.
56	21 st Sept 0800 Wasdale Local Dog only	Ollie	A party of 2 became lost in mist on Scafell Pike, having started out at 4 a.m. and walked for 2 hours.	They were on a path, and able to see the lake when the mist lifted. They were located by a team member below Pikes Crag.
57	21st Sept 1630 Langdale/Ambleside Local dogs only	Beinn, Sam	A couple became lost having missed the Crinkle Crag ridge.	Team members found them close to Red Tarn, and escorted them down to the valley.
58	24 th Sept 1500 Langdale/Ambleside Local Dogs only	Search Dogs Beinn, Sam, Skye	Further information was made available to the Police concerning a man who had been reported 10 days earlier.	LAMRT Team members and dogs searched the Pike of Stickle area around Mickleden. Nothing was found, and the search was stood down.
59	28th Sept 0450 Moffat (S. Scotland) Northern Dogs only Stood down 0655	Search Dogs Dottie, Kess en route	A man was reported as missing overnight near Craig Mellor (New Galloway). Lakes dogs were requested to assist as the misper had a history of heart problems.	The man was found safe and well by a helicopter as the first search dog arrived at the scene.
60	30 th Sept 0959 Cave Rescue N Yorks (Request for 2 dogs)	Ginny	CRO / SARDA England requested additional assistance with a search for a missing student in the Skipton area.	The search was stood down whilst dogs were en route after a body was discovered.

	Stood down 1025			
61	1 st October 2150 Coniston Full Page Stood down 2220	Dottie, Jake, Kess, Kitt, Sam	Search for missing couple, SW of Windermere, lost in dense forest, who could not find their way out.	They turned up safe & well.
62	4 th October 1700 Langdale / Ambleside Local Dogs only Stood down 2000	Beinn, Kitt, Skye, Kess, Sam	A bag and some burnt contents were found in the Orrest Head area at 1500hrs - Police had linked these to a missing despondent male from the Liverpool area.	Dogs completed an intensive search of the immediate area. It was confirmed later that the man had been hospitalised earlier that morning after sleeping rough in the Grizedale Forest and the Police had not been informed.
63	7th October 1950 Wasdale Local Dog only Stood down 0015	Ollie	A party of 4 plus a dog reported themselves benighted on Scafell Pike. A Grid Ref put them somewhere near Lingmell Col.	The party were located by searchdog Ollie - well equipped – but no torches!
64	11 th October 2130 Wasdale Local Dog only	Ollie	A party of 2, one with type 2 diabetes, was reported overdue on a walk on Scafell. One other party member had come down in fading light, to say the others were moving extremely slowly.	The party were <i>located very quickly by Searchdog Ollie</i> about 200ft above path at Hollow Gill. The Party members were cold, and the diabetic male very unsteady but otherwise OK. Very slow walk down. The party had no torches, but otherwise reasonably well equipped and relatively experienced.
65	11 th October 2200 Langdale / Ambleside Patterdale Local Dogs only Stood down 2230	Beinn, Sam, Skye	A Solo male walker travelling from Windermere to Patterdale via High Street reported himself lost. He was thought to be somewhere on the ridge.	The missing man was found by a Patterdale member as setting out. Patterdale on the hill as the dogs were en route.
66	15 th October 2200 S Scotland Dogs	Flash plus others from	A Party of three men became separated - one failed to rejoin main party and	The dogs were being deployed by Naval helicopter from RNAS

		SARDA England and Southern Scotland.	became benighted. He was clad in T-shirt and shorts.	Gannet to search the rocky areas at base of a steep slope - the casualty was observed moving and picked up by the helicopter. He had broken into a bothy to shelter overnight.
67	16 th October 0800 Langdale/Ambleside Full Page Stood down 1500	Dottie, Beinn, Skye	Police requested assistance to search for missing man (See Incident 57) following receipt of more information.	Dogs searched steep wooded area above the Low Wood Hotel area, but with no success.(The man remains missing at this time.)
68	24 th October 2040 Langdale/Ambleside Local Dog only	Beinn	Some persons reported themselves lost on the descent of Rossett Ghyll in Langdale.	Dog handler worked up the path - he saw the lights and quickly located the party, escorting them safely down.
69	25 th October 1900 Keswick Full Page Stood down 1935	Ginny on the hill; Dottie, Flash, Fly, Jake en route	A Duke of Edinburgh party member had become separated from the rest of his party between Honister and Seathwaite.	The misper was discovered in a camping barn as dogs and team were deploying.
70	1 st November 1700 Langdale/Ambleside Local dogs only Stood down 1900	Beinn, Kitt, Kess	A party of 2 males reported themselves lost near a south facing river somewhere in the Stickle Tarn area.	LAMRT and dogs were deployed on most obvious routes - handler Roger Pickup spotted lights in front of Martcrag Moor. The light was lost in the steep crags as the handler ascended but Search Dog Beinn located them. The pair were dragged back from a very dangerous location on the crags to the ridge. Both were very cold, and one was stretchered down via Stake Pass to a waiting vehicle.
71	6 th November 1730 Wasdale Local Dog only Stood down 2230	Ollie	Shouts for help were heard by a climbing party in the Great Gable area.	Dog and team requested to locate source – however the casualty was located by a Team member in a gully near Sphinx Rock. He had fallen a

				considerable distance and was extremely fortunate not to be injured. He was assisted from the fell.
72	27 th November 1800 Penrith Full Page Stood down 2200	Dottie on the hill Ginny en route	Two people reported themselves lost somewhere near the top of Nan Bield pass in severe winter conditions - they (and their 2 dogs) had been struggling in the weather for 3 hours.	Penrith team members and dog handler made way up to Nan Bield shelter, which the mispers had managed to locate. They were cold but in good spirits - they had food/clothing, but did not have ice axes or crampons, and only 1 torch between them. The Team assisted them down the very icy footpath to Mardale Head.
73a	1st December 0900 Langdale/Ambleside Local Dogs only Stood down 1600	Beinn, Kitt + Floss (Sarda England) and Trailing Dog Mij (SARDA Wales)	A woman who had been rescue from the Bowfell area on 28th November by LAMRT was reported as missing and possibly suicidal. Her car was found in Rydal carpark.	The dogs and the Team were tasked with searching the area immediately around Rydal Car Park, but found nothing.
73b	4th December 0900 Langdale/Ambleside Full Page Stood down 1600	Dottie, Kess, Ginny, Jake, Kitt, Skye, Fly, Beinn	Following further information, the search for the missing despondant woman was resumed in the Fairfield area, following heavy snowfall.	Dogs and four MR teams were tasked with searching the Fairfield/Great Rigg/Stone Arthur paths and slopes in bad winter weather but without result.
73c	14th December 0830 Langdale/Ambleside Full Page Stood down 1330	Beinn, Flash, Ginny, Ollie	This was a continuation of the search begun on 1 st December, following new information from members of the public.	A further search to the west of the area searched previously, resulted in her body being located by an LAMRT member. It had been buried by the deep snow. FATAL.
74a	22 nd December 1430 Cockermouth	Dottie, Ginny, Beinn, Skye, Flash, Fly,	A 43yr old despondent woman was reported as missing in the Whinlatter area, in deep snow, with very low	An intensive search involving teams from Keswick and Cockermouth was carried out in
