

# WINTERTON ON SEA PARISH COUNCIL NEWSLETTER - JUNE 2010

## Winterton Parish Council Meeting held on Thursday 17 June 2010

Ten residents were welcomed to the meeting and it was stated that the meeting is held in accordance with the Parish Council Standing Orders and Code of Conduct.

**Public discussion:** A resident asked for an update on the replacement of the vandalised goal post on the playing field. GYBC have been contacted and they have no spare posts; vandal proof goal posts are very expensive. However, changes in the football club may mean that the goal posts purchased for them a few years ago may be able to be used as a replacement. The football club has been sent a letter and also contacted by email but no response to clarify the position has been received to date.

PCSO Roger Bellward was unable to attend; it was reported that there had been nine crimes in the village since last month. 2 burglaries both at High Barn Farm, 1 vehicle damage, 2 criminal damage, 3 thefts and 1 domestic incident.

The following planning application was reviewed by the Parish Council: **06/10/0292/F** - Ground floor extension and new first floor over part of bungalow at Eastern Lights, Beach Road. Winterton Parish Council had no objections but a concern was raised over the pitch of the roof that had been a problem with an earlier planning application at the same property.

### Planning Decisions:

**06/10/0193/F** - Proposed single storey side extension at Spring Cottage, Bush Road - **GYBC Approved.**

**06/10/0197F** - Proposed addition of a conservatory to rear of previously approved detached bungalow - **06/08/0100/F** at Seaview, Bush Road - **GYBC Approved.**

**06/10/0234/F** - Ground and first floor rear extension with balcony at Seaside Cottage, Bush Road - **GYBC Approved.**

**06/10/0229/F** - Erection of detached dwelling at 2 Hillside Cottages - **GYBC Refused.**

It was resolved to approve the monthly payments in accordance with the budget. The Parish Council accounts for the year end 31 March 2010 were approved and signed by the Chairman, Internal Auditor Cllr Hodds and the Clerk. They will now be sent off to the Audit Commission for their approval.

**Playing field** - Quotes for new flooring in the toilets and referee room plus new urinals in the men's toilet are being obtained and will be discussed at the next Finance meeting and recommendations can then be made to the full Parish Council.

**Methodist clock** is still not working properly and another gentleman has been located who is looking at repairing the clock in the very near future.

**Councillors** present gave an update on their responsibilities.

### **Gas supply to the village:**

Following a request at a previous meeting to contact British Gas with a view to gas being supplied to the village; the Clerk has contacted British Gas who state that it may be too expensive to just supply Winterton with gas. However, British Gas is going to contact adjacent villages to find out if they would like gas supplied as this may bring the cost down. Updates will be given at the next meeting.

**Next Parish Council meeting will be held on Thursday 15 July at 7.30 pm in the Church Room  
And Parish Council Surgery - Saturday 17 June 10 am - 11 am in the Village Hall**

# COME ON EVERYONE THIS IS YOUR CHANCE TO CLEAR YOUR LOFTS/GARAGES!!

The Village Hall Committee is pleased to announce that there will be a Village garage/yard sale on Sunday 25 July 2010 from 10.30am – 4pm.

For anyone who has not been involved in one of these events before – this is how it works:-

Anyone in the village can choose to be included on the Village Sale Map showing all those selling from their garage/yard/garden or you can reserve a table in the village hall to sell your goods. There is a one-off **non-refundable fee of £5 for all sellers** which goes to Village Hall funds. The Sale Map will be drawn up to show the addresses of all those who will be selling from their garage or yard. Copies of the map will be on sale from the Village Hall on the day of the sale. Light refreshments will be on sale in the Hall. We intend to advertise this event widely – with adverts being placed in the local press and posters being displayed in shops in Winterton and neighbouring villages.

So for all of us who have items to sell – bric-a-brac, furniture, books, clothes, garden tools, baby equipment, toys etc, etc – this is the ideal opportunity to clear out your loft, garden shed, cupboards and garage and turn those excess items into cash without having to move more than a few feet from your own front door.

Please ensure you put up signs if you are off the main roads so that visitors know where you are.

✂ -----

To apply for inclusion in this event please complete the slip below and **return it, with your non returnable entrance fee of £5 to Pam Winter, 11 Hill View Drive, Winterton on Sea, NR29 4BT** (cheques payable to Winterton on Sea Village Hall Fund) – Tel: 393306. **BOOKINGS CLOSE 19 JULY**

I would like to reserve a table in the village hall to sell my goods, OR

I wish to participate in the Village garage/yard sale. Address from which I will be selling (this will be included on the map; please include name of house/bungalow if applicable)

## Chairman's Comments

In May, at the AGM of the Parish Council, I was elected as new Chairman and Bev Kay as new Vice Chairman. We are fairly new to the Village and would like to introduce ourselves to those who may not already know us:

I moved from Reading to Winterton 6 years ago, have been married to Valerie for 42 years and have 2 sons and 4 grandchildren. I am Chairman of the Winterton Garden Club, Homewatch Coordinator and a member of a local Baptist Church. You have probably seen me round the Village walking a yellow Labrador called Prince. I enjoy model-making and trains (I have a model railway in my garage – for the grandchildren of course!) I have been collecting new-issue stamps since the 1970s and also enjoy photography. I have been on the Parish Council for 2½ years and served as Vice Chairman last year before being elected Chairman on David Neve's retirement.

Bev Kay moved from Hemel Hempstead in Hertfordshire to Winterton 2½ years ago, has been married to Jim for 33 years and has 2 children and 2 grandchildren (and a Patterdale Terrier called Jack). Bev is a member of the Garden Club, the WI and the Norfolk Family History Society. She has recently started to cultivate an allotment; enjoying growing her own veg and keeping a couple of chickens. She has been on the Parish Council for 2 years and is also the Editor of the Parish Council Newsletter.

We both look forward to serving the Village community however we can.

Tel: Michael on 393749 or Bev on 394954

I would also like to take this opportunity to remind you all that the Parish Council meets on the third Thursday of each month and all residents are welcome at the meetings. There are 15 minutes set aside at the beginning of each meeting for residents to raise issues they believe should be brought to the attention of the Parish Council. Each Parish Council meeting is followed by a Surgery held by 2 Councillors on the following Saturday from 10 – 11 am in the Village Hall.

Don't forget that there is now a vacancy for a new Parish Councillor. Would you be willing to join us? Please feel free to contact myself, Bev or Pam Winter, Parish Clerk for more information.

As I write this, the sun is shining on our beautiful Village; has summer come at last? The pigs in The Craft are wearing their sun hats, the flowers in the front gardens and around the Village greens are blooming, visitors are enjoying the amenities in the Village and the school summer holidays are nearly with us. If you are going away on holiday soon this summer I wish you a most enjoyable time.

## GARDENING CLUB

Our June meeting was spent in the delightful gardens of The Mowle at Ludham. We all enjoyed it so much that we have booked to go there again on Saturday 9th October to see the garden in its Autumn hues. Next month we will be having a visit from Alan Barson who will be supplying answers to our questions and problems. Our August meeting on the 11th will be a visit to Hoecroft Gardens at Wood Norton. This will be an evening trip and if anyone is interested in coming along please contact Michael or Valerie Blake on 393749.

### The late Brenda Joan Lubbock

I would like to thank everybody who made a donation when my mother recently passed away. The amount collected around the village was £110 which went to the Church. A further £275 was donated directly to the Funeral Directors which went to the Intensive Care Unit at the Hospital.

Special thanks to Margaret Green who made the collection and apologies from me for any misunderstandings among the villagers regarding the destinations of the monies collected.

## WINTERTON IN BLOOM

There are times when kindness makes the heart sing. After such rotten few weeks for the In Bloom, when 8 of our half barrel planters were stolen and also some plants were also taken, we have been greatly heartened by the kind donations we have received over the past few days and also by the support and sympathy we have received from many residents and visitors alike - our thanks go to you all. We are determined not to let these thefts defeat us in any way and have already worked extremely hard to replace 4 of the stolen barrels and to make good other areas that have been affected. The area by the Playing Field has been altered and we have put in new plants to enhance the display. The new planters are now in place to the south of the Village Hall, and also on the green at Fishermans Corner, and alterations to the front of the Church Rooms should be completed soon. In addition to this, the new road sign planters are now in place on Somerton Road, Black Street, Bulmer Lane and The Cobbleways and our thanks must go to the residents who have volunteered to look after them. It may only be a small job to water a planter but it all helps to enhance the village. Summer planting is now complete and Duffles Pond has been tidied and is ready for visitors. We look forward to a beautiful display of colour and a wonderful Summer. Please don't forget the Scarecrow Competition on July 11th. We hope to have as many Scarecrows as last year so we have a great display.

Winterton in Bloom will continue to work hard to keep Winterton 'A Village to be Proud Of'.

## HOME WATCH

Residents living in Caister and the Coastal Villages are being encouraged to help police in the fight against crime. While Norfolk remains the safest County in England householders are being urged to increase their awareness of crime prevention to make it even safer. Norfolk Constabulary is calling on communities to help reduce crime, anti-social behaviour and the fear of crime even more by signing up to Home Watch. The scheme provides a way for local people to play an important part in making their communities even safer and reducing crime. Run through a network of district associations and schemes, Home Watch is run by residents with the support of Police and allows residents to receive crime updates to help them take steps to prevent crime and anti-social behaviour. Police Community Support Officer Paul Johnson from the local Safer Neighbourhood Team (SNT) is the Single Point of Contact (SPOC) for the Home Watch scheme in Caister and the Coastal Villages – providing a link between the Constabulary and the Norfolk Home Watch Association. The new Home Watch system allows residents to build strong relationships with their local SNT. It is supported by a new state-of-the-art community messaging tool called Police Direct which delivers messages instantaneously by email, text, fax or by voice message. As well as receiving crime updates where you live, you can also opt to receive information from your local policing team including the latest priorities they're addressing, the actions taken when dealing with those priorities and the outcomes of offenders who have committed crime where you live. To find out if a scheme is operating in your area or to join contact the Safer Neighbourhood Team on 0845 456 4567 or log onto [www.norfolk.police.uk](http://www.norfolk.police.uk) and click on the Home Watch logo.

If you're an existing Home Watch co-ordinator or member and have not re-registered your details on the new Police Direct system then log onto [www.norfolk.police.uk](http://www.norfolk.police.uk) and click the 'Home Watch' icon.

At the Parish Council Meeting on 17 June reports were given by both our Borough Councillor, Shirley Weymouth, and also Winterton's Coastal Erosion Representative, Terry Byrne, and Councillor Keith Harrison about the current consultation exercise on the newest version of the Shoreline Management Plan (SMP) and also the related Strategic Environmental Assessment (SEA) which makes proposals regarding the protection (or otherwise) of our coastline. It was decided by the Parish Council to reject this on the grounds that it contains no element of "Social Justice" to recompense those who may lose their homes, land or livelihood to the sea. You can find out more about this issue at [www.coastalmanagement@north-norfolk.gov.uk](mailto:www.coastalmanagement@north-norfolk.gov.uk) and clicking on the links to Coastal Management and Shoreline Management Plan. The public consultation ends on 2<sup>nd</sup> July and if you are concerned about the implications of the proposals you can submit your comments. Copies of the forms for this are available at the Post Office.
