WINTERTON ON SEA PARISH COUNCIL – THURSDAY 17 FEBRUARY 2011

Five residents were welcomed to the Parish Council meeting which took place in the Village Hall.

Public Discussion:

- A resident requested a long handled litter picker so that she could pick up litter on the recreation ground. It was agreed that this would be provided and the Council thanked her for offering to keep the recreation ground free of rubbish.
- A resident also noted that many volunteers help run events and committees in the village and a list should be made up to demonstrate that Winterton is already participating in the “Big Society” and sent to the PM and our local MP.
- A resident made the following comments regarding the drainage works on Winmer Avenue:
 - The work should have commenced last summer and had it done so, there would have been enough money allocated to the project to do the whole of Winmer Avenue. The resident believed that the full extent of the flood problem had not been made clear to the engineers but it was noted that this would have been the responsibility of Highways Department and not the Parish Council.
 - It was noted by Cllr Blake that the project had now been allocated £60k but this was only enough to do half way up Winmer Avenue. If this did not solve the problem then additional money would have to be applied for.
- The dog fouling problem was raised again and Cllr Blake reiterated that, **based on firm evidence, offenders would be prosecuted** and that no other action would be taken by the Parish Council.

The Parish Church of Holy Trinity & All Saints, Winterton-on-Sea

'Lord, teach us how to pray,' the disciples asked Jesus. For a Christian, prayer is as important as breathing, and should flow just as naturally. For less confident Christians, prayer may give cause for concern. Am I doing it right? How do I find time for it? How do I know what to pray for? These may be questions we ask ourselves. This Lent we will be looking at how to pray, how we make time for prayer in our busy lives. We will be following an excellent and practical book by Angela Ashwin, called 'Heaven in Ordinary'* A group will meet through Lent to discuss the issues raised by the book. Fr Simon Holden, our monk from the Community of the Resurrection in Yorkshire will be joining us and will lead one of the sessions. The sessions begin at 7pm, lasting for about an hour and are as follows:

Getting started in prayer:

Thursday 17 March, Barn Room Hemsby

Finding stillness:

Thursday 24 March, Barn Room Hemsby

The way we look at life: with Fr Simon

Tuesday 29 March, Church Room, Winterton

Pain and Failure:

Thursday 7 April, Barn Room Hemsby

What can I offer?

Thursday 14 April, Barn Room Hemsby

Anybody is welcome to come along, we hope they will be rewarding and of practical use to those who attend.

From the Registers:

The funeral of the late Susannah 'Nancy' Moss who died on 5 February 2011, aged 90, took place at the Parish Church on Wednesday 16 February. Nancy was a native of County Durham, but helped her husband Roy run a fish-curing business that split its operations between Great Yarmouth and Ullapool on the west coast of Scotland. They also ran a guest house in Great Yarmouth before retiring to Winterton to be close to their daughter Sue and grandchildren, Glen and Katie. We send our condolences to Sue, Philip and the family.

Broads Authority

The Broads - a member of the National Park family

The Broads Authority are planning the first **Broads Festival of the Outdoors** from 7th - 15 May

Primarily, this will be a festival of walks with a programme of events throughout the 9 days and if it proves to be successful will be expanded in future years to include cycling and other activities. The Festival is intended to boost tourism and promote the area for land-based recreation in addition to the well-known Broads waterways. Activities are hoped to include guided walks, ale or food trails (perhaps with discount or reward schemes with pubs, cafes etc), and maybe a community competition to promote countryside access. The Parish Council has been invited by the Broads Authority to be involved. If any local groups or businesses would like to be involved and perhaps organise an event here in Winterton please contact the Parish Clerk on 393306 as soon as possible and she will provide you with the appropriate application.

PLEASE HELP US TO HELP YOU!

Support your local St John Ambulance. We need jumble, toys, bric-a-brac etc for our forthcoming **JUMBLE SALE**. Just ring Bob Mann on 393903 and we will collect.

The Norfolk Coast Partnership was set up in 1991 and looks after the Area of Outstanding Natural Beauty (AONB) covering approximately 450 kms². For several years five representatives from local Parish Councils have been members of the Partnership. Our local representative, currently, is Keith Harrison. The current representatives will now stand down and we are now looking to elect five community representatives to join as members of the Norfolk Coast Partnership, to be as evenly spread as possible throughout the AONB. The current representatives can be re-elected. This is a voluntary role aimed at people living in or close to the Norfolk Coast AONB with good knowledge and a real love of the area, active in their community and able to make a positive contribution to the work of the Partnership and enhance it's links with local communities by attending meetings, assisting with community activities etc. If you are interested in standing for election as a Community Representative please contact the Parish Clerk on 393306 who can provide all the relevant application information.

Deadline for applications is 13 May.

Quiz Night

Thursday 24 March

Teams of 4

IT'S PANCAKE DAY – TUESDAY 8TH MARCH – Perfect Pancake Recipe

110g/4oz plain flour, sifted

Pinch of salt

2 eggs

200ml/7 fl oz milk mixed with 75ml/3 fl oz water

50g/2 oz butter

1. Sift flour and salt into a large mixing bowl. Make a well in the centre of the flour and break the eggs into it. Whisk in the eggs incorporating flour from around the edge of the bowl as you do so.
2. Gradually add small quantities of the milk and water mixture, still whisking until the batter is smooth, with the consistency of thin cream. Melt the butter in a pan. Spoon 2 tbsp of it into the batter and whisk it in.
3. Pour the rest of the melted butter into your frying pan and get the pan hot. Pour in ladle-full of batter mixture and as soon as the batter hits the hot pan, tip it around from side to side to get the base evenly coated with batter. It should take only half a minute or so to cook. Lift the edge with a palette knife to see if it's cooked. Flip the pancake over with a pan slice or palette knife - the other side will need a few seconds only - then slide onto a plate.
4. If you plan to make lots of pancakes, stack them as you make them between sheets of greaseproof paper on a plate fitted over simmering water to keep them warm.
5. To serve, sprinkle each pancake with freshly squeezed lemon juice and caster sugar, fold in half, then in half again to form triangles, or else simply roll them up. Serve sprinkled with a little more sugar and lemon juice and extra sections of lemon.

People have asked about an Oil Syndicate in Winterton but, unfortunately, nobody seems willing to set up and run one. Hopefully, this Winter is drawing to an end – but what about next year? Prices seem only to be going up - is anyone willing to organise a syndicate? If so, please contact Bev on 394954 and your details will go in the next Newsletter for those interested to get in touch.

WINTERTON RECYCLERS

We are planning to reinstate the composting service on the allotments soon. The place to leave your trimmings etc for ready composting will be the same and will be clearly marked with a list of what can and what cannot be composted. **WE WILL LET YOU KNOW WHEN THE SYSTEM IS READY TO GO SO PLEASE DO NOT LEAVE ANY BAGS ON THE ALLOTMENTS YET.**

BUT, as always, we could do with some extra volunteers. If you could offer even a little of your time to help – please call Bev on 394954.

The local Safer Neighbourhood Team Bus will be outside the Village Hall on Wednesday 9 March between 1 pm and 2.30 pm. Your opportunity to pop along and meet a member of the Team and discuss any concerns you may have.

ALLOTMENT HOLDERS MEETING

Took place on Thursday evening, 27 January, in the Village Hall. The meeting was called by myself, "Curly" J Patterson as elected Allotments Spokesman, due to price increases and other points put to me by other allotment holders.

Firstly, I would like to thank all allotment holders who attended on such a bitterly cold night as well as Richard Greensides as Secretary and also Bruce Greenall as new Councillor for Allotments on Winterton on Sea Parish Council who came to the meeting straight from work. We had an excellent turnout of 28 allotment holders and apologies from 3 who could not make it. The meeting went well with lots of good humour. I would also like to thank Geoffrey for putting out the tables and chairs and my wife, Sandra, for the refreshments of tea, coffee and biscuits.

A report has been handed into the Parish Council as to the outcome of the meeting.
