Policing update for the Caister and Coastal neighbourhood

Police are urging shoppers to be vigilant after two distraction incidents in car parks in Norfolk on Thursday 13th June.

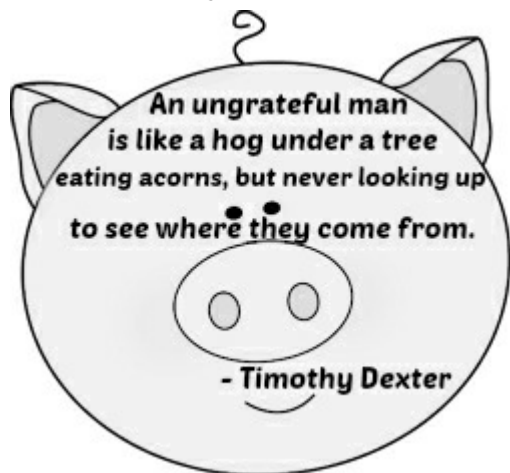

In the *Morrison's* car park at Riverside in Norwich, at around 12.35pm police received reports of people acting suspiciously around parked cars. One man spoke to a woman in a car, asking for directions to Dover, holding a map. A 2nd man took her handbag from the passenger side but she was able to take her bag back, the man then walked off. A woman was also asking for money at her car door.

Another similar incident, in a *Tesco* car park in Dereham also occurred.

The men are described as in their late 30s, one was wearing a dark grey coat

You can dial **101** if you have any information about the crimes listed here or want to talk to local police about any issues. **In an emergency, if a life is in danger or a crime is in progress, always use 999.**

and the other a dark bomber jacket. The woman is described as in her early 20s with long dark hair and was wearing a black top. The man with the map is described as white, 5 foot 6 inches tall, of stocky build with dark wavy hair and stubble, wearing a dark bomber jacket. He spoke with a foreign accent. Shoppers are advised to ensure that their vehicles and bags are secure at all times. **If someone asks you for help and you are uncomfortable politely decline and walk away.**

Dear friend & Secretary of the
Winterton W.I., Margaret Wells

We are sad to announce the death of a
very dear lady Margaret Wells.

She was secretary of the Winterton W.I. for
18 years & did a fantastic job, she always
had a beaming smile for everyone &
nothing was too much trouble for her. She
will be sadly missed by all who knew her.

Regards, Carmel

Winterton WI June 19th 2013

26 members attended this evening. We
had **Sally Potter demonstrating "Cup
Cake Fun"** Sally showed us how to
make roses, ribbons, leaves, she brought
4 cup cakes already made, decorated
them & gave us these for our raffle.

Sally was a nurse for years but decided
to change careers & now does
Workshops, teaches in schools & visits
groups like our WI. She told us to
obtain equipment like little chopping
boards & little rolling pins & small
palette knives from either Lakelands or
TK Max.

It was such an enjoyable evening.

Six residents were welcomed to the Parish Council Meeting held on Thursday 20th June 2013 together with Cllrs Weymouth and Childs.

1. Public discussion:

- A resident reported that BT was not carrying out any phone connections at the moment because apparently the relay station contained asbestos. Clerk to follow up.
- Owners of certain potholed sections of Bush Road (private road) had received letters from Norfolk County Council reminding them of their responsibility to repair the surface to ensure the safety of users of the public footpath. NCC would give advice on what materials should be used etc.
- A resident expressed concern about the potential release of asbestos into the air if the farm buildings on Bulmer Lane were not demolished by a properly licensed company (see Planning Application **06/13/0266/F** below). Cllr Weymouth also agreed to contact the Planning Department.
- **To receive a report from the County/Borough Councillors**
 - Cllr Weymouth noted that a meeting was scheduled with the Ambulance Service.
 - Cllr Childs noted the following:
 - Winterton School needed a new governor;
 - The British Heart Foundation is setting up a "Healthy Lives" project in Great Yarmouth to help people with learning disabilities. Details will be published in the August newsletter;
 - NCC Highways had asked the Council's views on the yellow lining of Beach Road outside the Methodist Church and extending round into The Lane. The Clerk would let Cllr Childs know their views before the 26th July, the deadline for comments.

Rector's Ramblings

Well the sky is grey, the clouds are gathering speed and foreboding, plants are being tested by the strong breeze and I wish summer would arrive...or even maybe, Spring; but enough of the moaning. At the time of writing I am recovering from my first operation and awaiting a date to have the second procedure carried out. Once again I have been deeply humbled by your prayers and kind wishes for a speedy recovery – THANK YOU.

During this period of recuperation I have been visited by Revd Val Gagen and her husband Philip. I was Val's Training Incumbent in the North Hinckford Team before I joined the Flegg Coastal Benefice. A very pastoral lady, Val is also a Clown having been inspired to do some Holy Fooling by the Revd Roly Bain, Chaplain to the Clowns. She met Roly at a Diocese of Chelmsford conference at Caister! In her article "The Curate Cogitates..." written for the July magazine in North Essex, Val poses her team of churches 5 questions gleaned from a recent training day she attended. I would like to pose those same questions to the churches here in Hemsby, West Somerton, Horsey and Winterton:

1. If discipleship is a journey, what implications does that have for the way we do church? How can we ensure that our churches are not static gatherings of the faithful but rather communities of people on the move?
2. Church is what happens when people encounter the Risen Jesus and commit

themselves to sustaining and deepening that encounter in their encounter with each other. [Rowan Williams] How can we help people who are not attracted by church to encounter the Risen Jesus?

3. Think about your church. How good are the relationships? Is the church a genuine community of people who love one another? How can you help people to encounter Jesus through their encounter with each other?

4. How would the members of your church define its purpose? Is that the way you would like them to define it?

5. Think about your church. If you were to start again from scratch, would you do things the same way? If not, how would you change them? Why aren't you changing them now? These are all important questions if, as Christian folk we are to be explorers and not just map makers.

I very much look forward to being back with you all as soon as possible. In the meantime please do support and encourage those taking services and generally keeping our beautiful churches open.

God bless

Eoin Buchanan

Any Pilgrims Progress

Are you willing to share your story with fellow pilgrims?

Father Eoin and I having been discussing various ideas and are proposing to set up house groups with the idea of discussing matters of faith in a structured fashion, but not always in the same place. We have two or three ideas on how to explore these matters, but the final details will depend on feedback from you. If you are interested in joining one of these groups please get in touch either Father Eoin or myself (Tel 721347, e-mail mikedovle244@btinternet.com). We have a volunteer to host the first evening, but will be looking for volunteers to host subsequent meetings. These meetings will be informal and open to anybody to attend.

More info will become available over the coming months, I look forward to journeying forward with you, **Mike**

COME ON EVERYONE THIS IS YOUR CHANCE TO CLEAR YOUR LOFTS/GARAGES!!

The Village Hall Committee is pleased to announce that there will be a Village garage/yard sale on Sunday 28 July 2013 from 9.00 am – 4pm.

For anyone who has not been involved in one of these events before – this is how it works:-

Anyone in the village can choose to be included on the Village Sale Map showing all those selling from their garage/yard/garden or you can reserve a table in the village hall to sell your goods. There is a one-off **non-refundable fee of £5 for all sellers** which goes to Village Hall funds. The Sale Map will be drawn up to show the addresses of all those who will be selling from their garage or yard.

Copies of the map will be on sale from the Village Hall on the day of the sale for £1. Light refreshments will be on sale in the Hall.

We intend to advertise this event widely – with adverts being placed in the local press and posters being displayed in shops in Winterton.

So for all of us who have items to sell – bric-a-brac, furniture, books, clothes, garden tools, baby equipment, toys etc, etc – this is the ideal opportunity to clear out your loft, garden shed, cupboards and garage and turn those excess items into cash without having to move more than a few feet from your own front door. **Please ensure you put up signs if you are off the main roads so that visitors know where you are.**

CUT-----ALONG-----LINE-----

To apply for inclusion in this event please complete the slip below and return it, with your non returnable entrance fee of £5 to Gill Lack, 11 Marram Court, North Market Road, Winterton on Sea, NR29 4FD (cheques payable to Winterton on Sea Village Hall Fund) – Tel: 393306. **BOOKINGS CLOSE 20 JULY**
