A little insight for you. Today, in the midst of all the day's summery shenanigans we had

What's new?

The Village Cakery

It's always great when we can support a local supplier, and we couldn't get much more local than The Village Cakery!

Started by Rebecca Reid in 2009, Rebecca is the Cup Cake Queen as far as we're concerned! All of her cupcakes are handmade to order with great care and attention to detail and decorated with lovely sprinkles and handmade decorations. Her cakes can be decorated to suit your requirements so if there's something special you'd like then let us know and we'll give Rebecca a call.

To celebrate the Wimbledon Tennis Championships and the World Cup Rebecca has made us some lovely themed cup cakes. although we're not quite sure how long the England ones will be available!
