the cupcake break

Ovarian Cancer Action's fantastic new campaign, The Cupcake Break, is a great way to indulge your sweet tooth and help beat ovarian cancer. Create the ultimate glamorous tea party by getting your family and friends together to share delicious cupcakes and raise

funds for the charity. Simply ask everyone who takes part to make a donation. As March is Ovarian Cancer Awareness Month, it's the perfect excuse to let them eat cake. To get involved and find out how you could win tea for four at a glamorous venue, visit www.thecupcakebreak.org.uk or email cupcake@ovarian.org.uk.
